SUMMARY: The Department of Commerce (Commerce) preliminarily determines that 17 exporters of certain hardwood plywood products (hardwood plywood) from the People's Republic of China (China) under review had no shipments of subject merchandise during the period of review (POR) January 1, 2020, through December 31, 2020. Commerce also preliminarily determines that the remaining 39 remaining companies

subject to this review are part of the China-wide entity because they did not demonstrate eligibility for separate rates.

DATES: Applicable February 3, 2022.

FOR FURTHER INFORMATION CONTACT: Kabir Archuletta, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-2593.

SUPPLEMENTARY INFORMATION:**Background**

On March 4, 2021, Commerce published in the **Federal Register** a notice of initiation of an administrative review of the antidumping duty (AD) order¹ on hardwood plywood from China with respect to 56 exporters.² Subsequently, we released U.S. Customs and Border Protection (CBP) data to interested parties for comment.³ We received comments from the petitioner.⁴ No other interested party commented on the CBP data.

From March 30 to April 5, 2021, we received timely no-shipment certifications from 17 companies.⁵ We did not receive a no-shipment statement, separate rate application (SRA), or separate rate certification (SRC) from any other company subject to this review. On June 14, 2021, we received a request from the petitioner that we conduct verification of the information submitted in this review.⁶ On October 1, 2021, Commerce

extended the time limit for completing the preliminary results of this review to January 28, 2022.⁷

For a complete description of the events that followed the initiation of this administrative review, see the Preliminary Decision Memorandum.⁸ A list of topics included in the Preliminary Decision Memorandum is provided in Appendix III to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically *via* Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be found at <http://enforcement.trade.gov/frn/>. The signed and the electronic versions of the Preliminary Decision Memorandum are identical in content.

Scope of the Order

The product covered by the order is hardwood plywood from China. A full description of the scope of the order is contained in the Preliminary Decision Memorandum.⁹

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.213.

Preliminary Determination of No Shipments

Based upon the no shipment certifications received by Commerce, and our review of the CBP data, we preliminarily find that 17 companies had no shipments during the POR. Commerce requested that CBP confirm whether any shipments of subject merchandise entered the United States during the POR with respect to the 17 companies that submitted no shipment claims, and CBP responded that it has no record of any subject entries for these 17 inquiries.¹⁰ Because we have

corroborated the 17 no-shipment claims with CBP, we have verified these claims for purposes of these preliminary results, in accordance with section 782(i) of the Act. For additional information regarding this determination, see the Preliminary Decision Memorandum. Consistent with our assessment in non-market economy administrative reviews,¹¹ Commerce is not rescinding this review for these 17 companies.¹² Commerce intends to complete this review and issue appropriate instructions to CBP based on the final results of this review.

Separate Rates

Because the other 39 companies under review did not submit a no-shipment certification, SRA, or SRC, Commerce preliminarily determines that these companies have not demonstrated their eligibility for separate rates.¹³ For additional information, see the Preliminary Decision Memorandum.

China-Wide Entity

Commerce's policy regarding conditional review of the China-wide entity applies to this administrative review.¹⁴ Under this policy, the China-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the China-wide entity.¹⁵ Because no party requested a review of the China-wide entity in this review, the China-wide entity is not under review and the China-wide entity's rate (*i.e.*, 183.36 percent) is not subject to change.¹⁶ For additional information, see the Preliminary Decision Memorandum.

Public Comment

In accordance with 19 CFR 351.309(c), case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance no later than 30 days after the date of publication of these preliminary results, unless the Secretary alters the time limit. Rebuttal briefs, limited to issues raised in case briefs, may be submitted no later than seven days after the deadline date for case

briefs.¹⁷ Pursuant to 19 CFR 351.309(c)(2) and (d)(2), parties who submit case briefs or rebuttal briefs in this review are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities. Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information, until further notice.¹⁸

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, within 30 days after the date of publication of this notice. Requests should contain: (1) The party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Oral presentations at the hearing will be limited to those issues raised in the briefs. If a request for a hearing is made, Commerce intends to hold the hearing at a date and time to be determined.¹⁹

Assessment Rates

Upon issuance of the final results of this review, Commerce will determine, and CBP shall assess, AD duties on all appropriate entries covered by this review.²⁰ We have not calculated any assessment rates in this administrative review. Based on record evidence, we have preliminarily determined that 17 companies had no shipments of subject merchandise and, therefore, pursuant to Commerce's assessment practice, any suspended entries that entered under their case numbers, where available, will be liquidated at the China-wide entity rate.²¹ For all remaining companies subject to this review, which are part of the China-wide entity, we will instruct CBP to liquidate their entries at the current rate for the China-wide entity (*i.e.*, 183.36 percent). Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International

Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for shipments of the subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rates for the 17 companies that had no shipments during the POR will remain unchanged from the rates assigned to them in the most recently completed segment for each company; (2) for previously investigated or reviewed Chinese and non-Chinese exporters that have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recently completed segment of this proceeding; (3) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the rate for the China-wide entity (*i.e.*, 183.36 percent); and (4) for all non-Chinese exporters of subject merchandise that have not received their own rate, the cash deposit rate will be the rate applicable to the Chinese exporter that supplied that non-Chinese exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Final Results of Review

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, which will include the results of its analysis of issues raised in any briefs, within 120 days of publication of these preliminary results of review, pursuant to section 751(a)(3)(A) of the Act.

Notification to Importers

This notice also serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of AD duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of AD duties occurred and the subsequent assessment of double AD duties.

DEPARTMENT OF COMMERCE**International Trade Administration****Extension of U.S. Section Member Appointments to the United States-Brazil CEO Forum**

AGENCY: International Trade Administration (ITA), Department of Commerce (DOC).

ACTION: Notice.

SUMMARY: The Secretary of Commerce and the Director of the National Economic Council are extending the current U.S. Section Member appointments of the United States-Brazil CEO Forum through April 30, 2022.

ADDRESSES: For inquiries, please contact Christopher Di Trolio, Office of Latin America and the Caribbean, U.S. Department of Commerce, by email at Christopher.DiTrolio@trade.gov.

FOR FURTHER INFORMATION CONTACT: Christopher Di Trolio, 202-823-0530, Office of Latin America and the Caribbean, U.S. Department of Commerce. Christopher.DiTrolio@trade.gov.

SUPPLEMENTARY INFORMATION: In March 2007, the Governments of the United States and Brazil established the U.S.-Brazil CEO Forum (Forum). Through a **Federal Register** notice on October 12, 2018 (83 FR 51663), the Department of Commerce solicited applicants for

appointment to the U.S. Section for a term of three years to expire November 30, 2021, and on December 21, 2018 (83 FR 65627), the term was extended through February 24, 2022. Vacancies arising during the three-year term were filled through the same process (see 83 FR 65627 (Dec. 21, 2018) and 86 FR 1479 (Jan. 8, 2021)). The Secretary of Commerce and the Director of the National Economic Council, together with the Brazilian Minister of Economy and the Planalto Casa Civil Minister (Presidential Chief of Staff), co-chair the U.S.-Brazil CEO Forum (Forum), pursuant to the Terms of Reference signed in March 2007 by the U.S. and Brazilian governments, as amended, which set forth the objectives and structure of the Forum. The Terms of Reference may be viewed at: <https://www.trade.gov/us-brazil-ceo-forum-terms-reference/>. The Forum, consisting of both private and public sector members, brings together leaders of the respective business communities of the United States and Brazil to discuss issues of mutual interest, particularly ways to strengthen the economic and commercial ties between the two countries. The Forum consists of the U.S. and Brazilian Government co-chairs and a Committee comprised of private sector members. The Committee is composed of two Sections, each consisting of approximately ten to twelve members from the private sector, representing the views and interests of the private sector business community in the United States and Brazil. Each government appoints the members to its respective Section. The Committee provides joint recommendations to the two governments that reflect private sector views, needs, and concerns regarding the creation of an economic environment in which their respective private sectors can partner, thrive, and enhance bilateral commercial ties to expand trade between the United States and Brazil.

As stated in the amended Terms of Reference, "members [of the Forum] normally are to serve three-year terms but may be reappointed." The current U.S. Section Member appointments expire on February 24, 2022. The COVID-19 pandemic has impacted the most recently scheduled meeting of the United States-Brazil CEO Forum, resulting in a need for additional time for the current U.S. Section Members to participate in ongoing events through April 2022. For that reason, the Secretary of Commerce and the Director of the National Economic Council have decided to extend the current U.S.
