ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act (PRA) of 1995, the Federal Communications Commission (FCC or Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collections. Comments are requested concerning: Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees. The FCC may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

Needs and Uses: A request for extension of this information collection (no change in requirements) will be submitted to the Office of Management and Budget (OMB) after this 60-day comment period in order to obtain the full three year clearance from OMB. In its November 2011 *USF/ICC*

Transformation Order (FCC 11–161), the Commission comprehensively reformed and modernized the high-cost program within the universal service fund and, among other things, established the Mobility Fund. The Commission adopted rules in the *USF/ICC Transformation Order* for MF–I, which provided up to \$300 million in one-time universal service support payments to immediately accelerate deployment of mobile broadband services in unserved areas, including annual reporting and record retention requirements for MF–I support recipients. The Commission also established a separate and complementary one-time TMF–I to

award up to \$50 million in additional universal service funding to Tribal Areas, including Alaska, to accelerate mobile broadband availability in these remote and underserved areas. In its May 2012 *Third Order on Reconsideration* (FCC 12–52), the Commission revised certain rules adopted in the *USF/ICC Transformation Order*, including the deadline by which MF–I and TMF–I support recipients must file their annual reports pursuant to 47 CFR 54.1009(a). The form was originally granted emergency clearance on November 19, 2021.

DATES: Written comments by the public and agencies on this proposed extension are invited and must be received by April 11, 2022.

Instructions: Comments may be posted on OGE’s website, www.oge.gov. Sensitive personal information, such as account numbers or Social Security numbers, should not be included. Comments generally will not be edited to remove any identifying or contact information.

FOR FURTHER INFORMATION CONTACT:

Jennifer Matis at the U.S. Office of Government Ethics; telephone: 202–482–9216; TTY: 800–877–8339; Email: jmatis@oge.gov. A copy of the form may be obtained, without charge, by contacting Jennifer Matis.

SUPPLEMENTARY INFORMATION:

Title: Request for a Medical Exception to the Covid–19 Vaccination Requirement.

Agency Form Number: OGE Form 319.

Abstract: The OGE Form 319 collects information necessary to document the consideration, decision, and implementation of OGE employee requests for reasonable accommodation from the COVID vaccination requirement set forth in Executive Order 14043, Requiring Coronavirus Disease 2019 Vaccination for Federal Employees (Sept. 9, 2021).

OMB Control Number: 3209–0011.

Type of Information Collection: Extension of a currently approved collection.

Type of Review Request: Regular.

Affected public: Medical providers who are asked to provide documentation in support of an employee’s request for a medical exception to the requirement for COVID–19 vaccination.

Estimated Annual Number of Respondents: 1 (based on an estimate of five respondents over a ten year period, rounded up).

Estimated Time per Response: 10 minutes.

Estimated Total Annual Cost Burden (in dollars): 17.

Request for Comments: OGE is publishing this first round notice of its intent to request paperwork clearance renewal for the OGE Form 319. Public comment is invited specifically on the need for and practical utility of this information collection, the accuracy of OGE’s burden estimate, the enhancement of quality, utility and clarity of the information collected, and the minimization of burden (including the use of information technology). Comments received in response to this notice will be summarized for and included with the OGE request for extension of OMB paperwork approval.

The comments will also become a matter of public record.

A Notice Regarding Injunctions: The vaccination requirement issued pursuant to E.O. 14043 is currently the subject of a nationwide injunction. While that injunction remains in place, OGE will not process requests for a medical exception from the COVID–19 vaccination requirement pursuant to E.O. 14043. OGE will also not request the submission of any medical information related to a request for an exception from the vaccination requirement pursuant to E.O. 14043 while the injunction remains in place. But OGE may nevertheless receive information regarding a medical exception. That is because, if OGE were to receive a request for an exception from the COVID–19 vaccination requirement pursuant to E.O. 14043 during the pendency of the injunction, OGE will accept the request, hold it in abeyance, and notify the employee who submitted the request that implementation and enforcement of the COVID–19 vaccination requirement pursuant to E.O. 14043 is currently enjoined and that an exception therefore is not necessary so long as the injunction is in place. In other words, during the pendency of the injunction, any information collection related to requests for medical exception from the COVID–19 vaccination requirement pursuant to E.O. 14043 is not undertaken to implement or enforce the COVID–19 vaccination requirement.

Approved: February 7, 2022.

Emory Rounds,

Director, U.S. Office of Government Ethics.
