

businesses to disaster-impacted areas, consistent with the amount in the Commonwealth's action plan and substantial amendments submitted to and approved by HUD. In section IV.2. of the **Federal Register** notice published on February 19, 2019 (84 FR 4844) (the "February 2019 Notice"), the Department amended this waiver and alternative requirement to authorize the use of an additional \$10,000,000 of the Commonwealth's CDBG-DR funds for tourism and marketing activities. HUD required the waiver and alternative requirement to expire two years after the Commonwealth's first draw of its CDBG-DR funds allocated in the **Federal Register** notice published on February 9, 2018. In section VI.C. of the **Federal Register** notice published on January 6, 2021, HUD extended the waiver and alternative requirement, in accordance with the August 2018 Notice and February 2019 Notice, as referenced above, for one year due to issues related to the Coronavirus Disease 2019 (COVID-19) pandemic. This one-year extension expired on February 8, 2022.

Tourism is a significant part of the Commonwealth's economy and was severely impacted by Hurricanes Irma and Maria and further impacted by the COVID-19 pandemic. The expiration of the waiver and alternative requirement for tourism and marketing activities limits the ability of the Commonwealth to use the CDBG-DR funds during its peak tourism season, interrupting economic development gains made by the Commonwealth in its use of CDBG-DR funds for disaster recovery. As a result, the Secretary has determined that good cause exists to grant the waiver and alternative requirement described above, in accordance with the August 2018 Notice and February 2019 Notice, so that the Commonwealth may carry out tourism and marketing activities permitted by the waiver and alternative requirement for 180 days from the applicability date of this notice. HUD may further extend the waiver and alternative requirements administratively, if requested by the Commonwealth and good cause for such an extension exists at that time.

James Arthur Jemison, II,
Principal Deputy Assistant Secretary for
Community Planning and Development.
