SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–94201; File No. SR–CBOE–2022–004]

Self-Regulatory Organizations; Cboe Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Its Fees Schedule

February 9, 2022.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b–4 thereunder,²

notice is hereby given that on February 1, 2022, Cboe Exchange, Inc. (the "Exchange" or "Cboe Options") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Cboe Exchange, Inc. (the "Exchange" or "Cboe Options") proposes to amend its Fees Schedule. The text of the proposed rule change is provided in Exhibit 5.

The text of the proposed rule change is also available on the Exchange's website (<http://www.cboe.com/AboutCBOE/CBOELegalRegulatoryHome.aspx>), at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its Fees Schedule to update the Index License Surcharge fee for transactions in Dow Jones Industrial Average Index ("DJX") options and to make certain clarifying and corrective changes in the Fees Schedule, effective February 1, 2022.

The Exchange proposes to increase the Index License Surcharge fee currently applicable to orders executed in DJX options in Rate Table—Underlying Symbol List A. The Exchange currently assesses an Index License Surcharge fee of \$0.10 per contract for non-Customer orders

executed in DJX options. The proposed rule change increases the Index License Surcharge fee applicable to orders executed in DJX options from \$0.10 per contract to \$0.12 per contract. The Exchange notes that the Index License Surcharge fee in place for DJX options is designed to recoup some of the costs associated with the licenses for this index.³ The Exchange has recently renewed its license arrangements for its DJX index license and, as a result, the proposed rule change amends the Index License Surcharge fee for DJX options in order to continue to offset some of the costs associated with the license for the index in light of the renewal of the license.

The proposed rule change also makes certain clarifying and corrective changes to the Fees Schedule. The proposed rule change removes language in the Floor Broker Trading Surcharge table related to the requirement that a Floor Broker Trading Permit Holder submit the SPX Tier Appointment Fee Exclusion for Multi-Class Broad-Based Index Spread Transactions Form within three business days of execution of the applicable spread transaction(s) in order to receive the SPX Surcharge waiver for Floor Broker Trading Permit Holders who only execute SPX (including SPXW) options transactions as part of multi-class broad-based index spread transactions. Manual submission of such form by Floor Broker Trading Permit Holders is no longer necessary as the Exchange has automated the process for documenting such transactions for Floor Broker Trading Permit Holders.

The proposed rule change makes a clarifying change regarding Market-Maker Floor Permit Holders that execute contracts in SPX/SPXW in the Market-Maker Tier Appointment Fees table. Specifically, the proposed rule change adds that the SPX Surcharge will not be assessed to a Market-Maker Floor Permit Holder who only executes SPX (including SPXW) options transactions as part of multi-class broad-based index spread transactions. In 2019, the Exchange restructured its Fees Schedule in connection with a technology migration. The SPX Surcharge waiver provision in connection with Market-Maker Floor Permit Holders existed in the Fees Schedule prior to its 2019 restructuring; however, the Exchange inadvertently did not include this waiver provision in the restructured Fees Schedule. The Exchange notes that the same waiver provision related to Floor Broker Trading Permit Holders (as
