Overview of This Information Collection

(1) *Type of Information Collection:* Revision of a Currently Approved Collection.

(2) *Title of the Form/Collection:* Designation of Attorney in Fact/Revocation of Attorney in Fact.

(3) *Agency form number, if any, and the applicable component of the Department of Homeland Security sponsoring the collection:* I-312/I-312A; U.S. Immigration and Customs Enforcement.

(4) Affected public who will be asked or required to respond, as well as a brief abstract: Primary: State, Local, or Tribal Government. Section 103.6, the Immigration and Nationality Act (INA), provides for the posting of surety or cash bonds. All bonds posted in immigration cases shall be executed on Form I-352, Immigration Bond, and secured with some form of collateral by an Obligor. In the case of a cash bond, the Obligor will deposit with U.S. Immigration and Customs Enforcement (ICE) the face value of the bond. The Obligor can designate a third party as an Attorney in Fact to accept on their behalf the return of the collateral security deposited to secure the surety bond upon cancellation of the bond or performance of the Obligor. The Form I-312, Designation of Attorney in Fact, is the instrument used by the Obligor to officially designate their Attorney in Fact. Upon receipt of a properly executed Form I-312, ICE Financial Operations will remit to the Attorney in Fact the principal and interest on the security deposit in the event of a bond cancellation, or the interest on the security deposit in the event of a bond breach. Immigration bonds might remain in place for years, and Obligors might choose to appoint a new Attorney in Fact as circumstances change. To

ensure that ICE Financial Operations properly executes its fiduciary duties to the Obligor under the Form I-352 bond contract, and exercises due diligence in ensuring that remittances are made to the proper person, ICE uses Form I-312A as the document by which the Obligor could expressly indicate that a previously valid Form I-312 Attorney in Fact designation had been revoked. The requested revisions are specific to the instructions concerning obligor requirements and the attorney's authority to perform acts necessary to receive proceeds of the bond. There are revisions to the I-312 instructions. The revisions relate to the obligor requirements and to the attorney's authority to perform acts necessary to receive bond proceeds.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* 193 responses at 1 hour (60 minutes) per response.

(6) *An estimate of the total public burden (in hours) associated with the collection:* 193 annual burden hours.

(7) *An estimate of the total public burden (in cost) associated with the collections:* \$6,370.
