

eligible for use on an equal opportunity basis. Community contacts are made with business and community leaders and participants in the program to obtain their knowledge and opinions of the facility's operation and determine if there have been allegations of discrimination made in the community.

Compliance officers utilize compliance review forms such as Form 400–8 to comport with the compliance review requirements of DOJ regulation 28 CFR part 42, and Executive Order 12250. The frequency of compliance reviews is based on whether it is a loan or grant and the specific requirements of the program. Grants-only obligations only require a pre-award and a post-award compliance review. Where grants are utilized for revolving loan funds, compliance reviews are done on recipients every five years.

Submission for OMB Review; Comment Request

February 15, 2022.

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104–13. Comments are requested regarding; whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Comments regarding this information collection received by March 24, 2022 will be considered. Written comments and recommendations for the proposed

information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

Food and Nutrition Service

Title: USDA National Hunger Clearinghouse Database Form (FNS 543).

OMB Control Number: 0584–0474.

Summary of Collection: Section 26(d) of the Richard B. Russell National School Lunch Act (42 U.S.C. 1769g(d)) (the Act), which was added to the Act by section 123 of Public Law 103–448 on November 2, 1994, mandated that FNS enter into a contract with a non-governmental organization to establish and maintain an information clearinghouse (named “USDA National Hunger Clearinghouse” or “Clearinghouse”) for groups that assist low-income individuals or communities regarding nutrition assistance programs or other assistance.

Need and Use of the Information: The Clearinghouse includes a database of non-governmental, grassroots organizations in the areas of hunger and nutrition, along with a mailing list to communicate with these organizations. These organizations enter their information into the database, and Clearinghouse staff use that information to provide the public with information about where they can get food assistance. Surveys (FNS–543) can be obtained online at www.hungerfreeamerica.org.

Description of Respondents: Individuals/Households, State, Local, or Tribal government, and Profit/Non-profit Business.

Number of Respondents: 600.

Frequency of Responses: Reporting: Once.

Total Burden Hours: 50.
