SUPPLEMENTARY INFORMATION: In accordance with the Paperwork Reduction Act of 1995, we provide the general public and other Federal agencies with an opportunity to comment on new, proposed, revised, and continuing collections of information. This helps us assess the impact of our information collection requirements and minimize the public's reporting burden. It also helps the public understand our information collection requirements and provide the requested data in the desired format.

A **Federal Register** notice with a 60-day public comment period soliciting comments on this collection of information was published on September 7, 2021 (86 FR 50153). No comments were received.

As part of our continuing effort to reduce paperwork and respondent burdens, we are again soliciting comments from the public and other Federal agencies on the proposed ICR that is described below. We are especially interested in public comment addressing the following:

(1) Whether or not the collection of information is necessary for the proper performance of the functions of the agency, including whether or not the information will have practical utility;

(2) The accuracy of our estimate of the burden for this collection of information, including the validity of the methodology and assumptions used;

(3) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) How might the agency minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of

information technology, *e.g.*, permitting electronic submission of response.

Comments that you submit in response to this notice are a matter of public record. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Abstract: Submission of this information allows BIA to determine applicant eligibility for housing services based upon the criteria referenced in 25 CFR 256.9 (repairs and renovation assistance) and 256.10 (replacement housing assistance). INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 731–TA–1299, 1300, 1302 (Review)]

Circular Welded Carbon-Quality Steel Pipe From Oman, Pakistan, and the United Arab Emirates; Notice of Commission Determination to Conduct Full Five-Year Reviews

AGENCY: United States International Trade Commission.

ACTION: Notice.

SUMMARY: The Commission hereby gives notice that it will proceed with full reviews pursuant to the Tariff Act of 1930 to determine whether revocation of the antidumping duty orders on circular welded carbon-quality steel pipe from Oman, Pakistan, and the United Arab Emirates would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. A schedule for the reviews will be established and announced at a later date.

DATES: February 4, 2022.

FOR FURTHER INFORMATION CONTACT:

Angela Newell (202–205–2060), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202–205–1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202–205–2000. General information concerning the Commission may also be obtained by accessing its internet server (<https://www.usitc.gov>). The public record for these reviews may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>. For further information concerning the conduct of these reviews and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

SUPPLEMENTARY INFORMATION: On February 4, 2022, the Commission determined that it should proceed to full reviews in the subject five-year reviews pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. 1675(c)). The Commission found that the domestic interested party group response and the respondent interested party group response from the United Arab Emirates to its notice of institution (86 FR 60289, November 1, 2021) were adequate, and determined to conduct a full review of the order on imports from the United Arab Emirates. The Commission also found that the respondent interested party group responses from Oman and Pakistan were inadequate but determined to conduct full reviews of the orders on circular welded carbon-quality steel pipe from those countries in order to promote administrative efficiency in light of its determination to conduct a full review of the order with respect to the United Arab Emirates. A record of the Commissioners' votes will be available

from the Office of the Secretary and at the Commission's website.

Authority: These reviews is being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to § 207.62 of the Commission's rules.

By order of the Commission.

Issued: February 16, 2022.

Lisa Barton,

Secretary to the Commission.

INTERNATIONAL TRADE COMMISSION

Certain Electronic Stud Finders, Metal Detectors and Electrical Scanners

[Investigation No. 337–TA–1221]

Notice of a Final Determination Finding No Violation of Section 337; Termination of the Investigation

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined to affirm in part, modify in part, and reverse in part the Administrative Law Judge's ("ALJ") final initial determination ("ID"), issued on October 7, 2021, finding no violation of section 337 in the above-referenced investigation as to three asserted patents. The Commission affirms the ID's determination that no violation of section 337 has occurred based on the importation of certain electronic stud finders, metal detectors, and electrical scanners. This investigation is terminated.

SUPPLEMENTARY INFORMATION: On October 5, 2020, the Commission

instituted this investigation based on a complaint filed on behalf of Zircon Corporation of Campbell, California ("Zircon"). 85 FR 62758–59 (Oct. 5, 2020). The complaint alleged violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain electronic stud finders, metal detectors, and electrical scanners by reason of infringement of one or more claims of U.S. Patent Nos. 6,989,662 ("the '662 patent"), 7,148,703 ("the '703 patent"), 8,604,771 ("the '771 patent"), and 9,475,185 ("the '185 patent"). *Id.* at 62759. The Commission's notice of investigation named as respondents Stanley Black & Decker, Inc. of New Britain, Connecticut, and Black & Decker (U.S.), Inc. of Towson, Maryland (together, "Respondents"). *Id.* The Office of Unfair Import Investigations is not participating in this investigation. *Id.*

On April 22, 2021, the ALJ issued a claim construction order based on briefs submitted by the parties. *See* Order No. 20. On June 15, 2021, the ALJ granted a motion for summary determination of no infringement concerning the '703 patent, which terminated that patent from the investigation. *See* Order No. 27, *unreviewed by Comm'n* Notice (July 15, 2021).

On October 7, 2021, the ALJ issued the subject ID, which found no violation of section 337 as to any claim of the remaining asserted patents by Respondents. Also, on October 7, 2021, the ALJ issued his recommended determination ("RD") on remedy and bonding. The ALJ recommended, upon a finding of violation, that the Commission issue a limited exclusion order and impose a bond in the amount of zero percent of the entered value of any covered products imported during the period of Presidential review.

On October 19, 2021, Zircon and Respondents submitted petitions for review of the ID. On October 27, 2021, Zircon and Respondents submitted responses to the petitions.

On December 6, 2021, the Commission issued notice of its determination to review the ID with respect to (1) the ID's infringement findings for the '662 patent; (2) the ID's findings on the technical prong of the domestic industry requirement for the '662 patent; (3) the ID's obviousness findings for the '662 patent; (4) the ID's infringement findings for the '771 patent; (5) the ID's anticipation and obviousness findings for the '771 patent; (6) the ID's claim construction and infringement findings for the '185
