[Docket No. CP22-16-000]

Georgia-Pacific Consumer Operations LLC; Notice of Schedule for the Preparation of an Environmental Assessment for the Georgia-Pacific Consumer Pipeline Abandonment Project

On November 16, 2021, Georgia-Pacific Consumer Operations LLC (GPC) filed an application in Docket No. CP22-16-000 requesting Authorization pursuant to Section 7(b) of the Natural Gas Act to abandon certain gas pipeline facilities. The proposed project is known as the Georgia-Pacific Consumer Pipeline Abandonment Project (Project) and involves abandoning natural gas transmission pipeline and auxiliary facilities in Union Parish, Louisiana and Ashley County, Arkansas.

On November 30, 2021, the Federal Energy Regulatory Commission (Commission or FERC) issued its Notice of Application for the Project. Among other things, that notice alerted agencies issuing federal authorizations of the requirement to complete all necessary reviews and to reach a final decision on a request for a federal authorization within 90 days of the date of issuance of the Commission staff's environmental document for the Project.

This notice identifies Commission staff's intention to prepare an environmental assessment (EA) for the Project and the planned schedule for the completion of the environmental review.¹

Schedule for Environmental Review

Issuance of EA May 27, 2022
90-day Federal Authorization Decision
Deadline² August 25, 2022

¹ 40 CFR 1501.10 (2020)

² The Commission's deadline applies to the decisions of other federal agencies, and state agencies acting under federally delegated authority, that are responsible for federal authorizations,

If a schedule change becomes necessary, additional notice will be provided so that the relevant agencies are kept informed of the Project's progress.

Project Description

GPC proposes to abandon in-place approximately 19.5 miles of 8-inch-diameter natural gas transmission pipeline and auxiliary facilities in Union Parish, Louisiana and Ashley County, Arkansas. Additionally, GPC proposes to abandon by removal all aboveground features associated with the 19.5 miles of pipeline.

Background

On February 1, 2022, the Commission issued a *Notice of Scoping Period Requesting Comments on Environmental Issues for the Proposed GPC Pipeline Abandonment Project*. The Notice of Scoping was sent to affected landowners; federal, state, and local government agencies; elected officials; environmental and public interest groups; Native American tribes; other interested parties; and local libraries and newspapers. The Notice of Scoping stated that the scoping period would end on March 3, 2022. All substantive comments received in response to the Notice of Application and Notice of Scoping will be addressed in the EA.

Additional Information

In order to receive notification of the issuance of the EA and to keep track of formal issuances and submittals in specific dockets, the Commission offers a free service called eSubscription. This service provides automatic notification of filings made to subscribed dockets, document summaries, and direct links to the documents. Go to <https://www.ferc.gov/ferc-online/overview> to register for eSubscription.
