

If a schedule change becomes necessary, additional notice will be provided so that the relevant agencies are kept informed of the Project's progress.

Project Description

GPC proposes to abandon in-place approximately 19.5 miles of 8-inch-diameter natural gas transmission pipeline and auxiliary facilities in Union Parish, Louisiana and Ashley County, Arkansas. Additionally, GPC proposes to abandon by removal all aboveground features associated with the 19.5 miles of pipeline.

Background

On February 1, 2022, the Commission issued a *Notice of Scoping Period Requesting Comments on Environmental Issues for the Proposed GPC Pipeline Abandonment Project*. The Notice of Scoping was sent to affected landowners; federal, state, and local government agencies; elected officials; environmental and public interest groups; Native American tribes; other interested parties; and local libraries and newspapers. The Notice of Scoping stated that the scoping period would end on March 3, 2022. All substantive comments received in response to the Notice of Application and Notice of Scoping will be addressed in the EA.
