[A-201-842]

### Large Residential Washers From Mexico: Preliminary Results of Antidumping Duty Administrative Review; 2020-2021

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (Commerce) preliminarily determines that large residential washers (washers) from Mexico were not sold in the United States at less than normal value (NV) during the period of review (POR) February 1, 2020, through January 31, 2021.

**DATES:** Applicable February 24, 2022.

**FOR FURTHER INFORMATION CONTACT:** Tara Moran, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-3619.

### SUPPLEMENTARY INFORMATION:

#### Background

On April 1, 2021, based on a timely request for review, in accordance with 19 CFR 351.221(c)(1)(i), we initiated an administrative review on washers from Mexico.<sup>1</sup> This review covers one producer/exporter of the subject merchandise, Electrolux Home Products Corp. N.V. and Electrolux Home Products de Mexico, S.A. de C.V. (collectively, Electrolux). For a complete description of the events that followed the initiation of this review, *see* the Preliminary Decision Memorandum.<sup>2</sup>

<sup>1</sup> *See Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 86 FR 17129 (April 1, 2021).

<sup>2</sup> *See* Memorandum, "Decision Memorandum for the Preliminary Results of the 2020-2021 Administrative Review of the Antidumping Duty Order on Large Residential Washers from Mexico," dated concurrently with this notice.

## Scope of the Order

The products covered by the order are all large residential washers and certain subassemblies thereof from Mexico. For a complete description of the scope of the order, *see* the Preliminary Decision Memorandum.<sup>3</sup>

## Methodology

Commerce is conducting this review in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act). Constructed export price is calculated in accordance with section 772 of the Act. NV is calculated in accordance with section 773 of the Act.

For a full description of the methodology underlying our conclusions, *see* the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>. A list of the topics discussed in the Preliminary Decision Memorandum is attached as an appendix to this notice.

## Preliminary Results of the Review

As a result of this review, we preliminarily determine that the following weighted-average dumping margin exists for the respondent for the period February 1, 2020, through January 31, 2021:

Producer/exporter	Weighted-average dumping margin (percent)
Electrolux .....	0.00

## Disclosure and Public Comment

Commerce intends to disclose the calculations performed in connection with these preliminary results to interested parties within five days after the date of publication of this notice.<sup>4</sup> Interested parties may submit case briefs to Commerce no later than 30 days after the date of publication of this notice.<sup>5</sup> Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than seven days after the time limit for

filing case briefs.<sup>6</sup> Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.<sup>7</sup> Case and rebuttal briefs should be filed using ACCESS.<sup>8</sup> Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information.<sup>9</sup>

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, filed electronically via ACCESS within 30 days after the date of publication of this notice.<sup>10</sup> Hearing requests should contain: (1) The party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Oral presentations at the hearing will be limited to issues raised in the briefs. If a request for a hearing is made, parties will be notified of the time and date for the hearing.<sup>11</sup>

An electronically filed document must be received successfully in its entirety by ACCESS by 5:00 p.m. Eastern Time on the established deadline. Commerce intends to issue the final results of this administrative review, including the results of its analysis of issues raised in any written briefs, not later than 120 days after the date of publication of this notice, unless otherwise extended.<sup>12</sup>

## Assessment Rates

Upon completion of the administrative review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries.<sup>13</sup> If the weighted average dumping margin for Electrolux is not zero or *de minimis* (i.e., less than 0.5 percent), we will calculate importer-specific *ad valorem* antidumping duty assessment rates based on the ratio of the total amount of dumping calculated for each importer's examined sales to the total entered value of those same sales in accordance with 19 CFR

<sup>6</sup> Commerce is exercising its discretion, under 19 CFR 351.309(d)(1), to alter the time limit for filing of rebuttal briefs.

<sup>7</sup> *See* 19 CFR 351.309(c)(2) and (d)(2).

<sup>8</sup> *See* 19 CFR 351.303.

<sup>9</sup> *See Temporary Rule Modifying AD/CVD Service Requirements Due to COVID-19; Extension of Effective Period*, 85 FR 41363 (July 10, 2020).

<sup>10</sup> *See* 19 CFR 351.310(c).

<sup>11</sup> *See* 19 CFR 351.310(d).

<sup>12</sup> *See* section 751(a)(3)(A) of the Act.

<sup>13</sup> *See* 19 CFR 351.212(b).

351.212(b)(1). If the weighted-average dumping margin for Electrolux is zero or *de minimis* in the final results, or an importer-specific assessment rate is zero or *de minimis* in the final results, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

Commerce intends to issue instructions to CBP 41 days after the publication date of the final results of this review.

### Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for the exporter listed above will be equal to the weighted-average dumping margin established in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for companies not participating in this review, the cash deposit rate will continue to be the company-specific cash deposit rate published for the most recently completed segment; (3) if the exporter is not a firm covered in this review, or the original less-than-fair-value (LTFV) investigation, but the producer is, then the cash deposit rate will be the cash deposit rate established for the most recently completed segment for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 36.52 percent, the all-others rate established in the LTFV investigation.<sup>14</sup> These deposit requirements, when imposed, shall remain in effect until further notice.

### Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

<sup>14</sup> See *Large Residential Washers from Mexico: Antidumping Duty Orders*, 78 FR 11148 (February 15, 2013).

### Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: February 16, 2022.

**Lisa W. Wang,**

*Assistant Secretary for Enforcement and Compliance.*

## DEPARTMENT OF COMMERCE

### National Oceanic and Atmospheric Administration

[RTID 0648-XB824]

#### Marine Mammals; File No. 26269

**AGENCY:** National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

**ACTION:** Notice; receipt of application.

**SUMMARY:** Notice is hereby given that Changqun Zhang, Texas A&M University at Galveston, 200 Seawolf Parkway, Galveston, TX 77553, has applied in due form for a permit to import finless porpoises (*Neophocaena asiaeorientalis sunameri*) parts for scientific research.

**DATES:** Written, telefaxed, or email comments must be received on or before March 28, 2022.

**ADDRESSES:** The application and related documents are available for review by selecting "Records Open for Public Comment" from the "Features" box on the Applications and Permits for Protected Species (APPS) home page, <https://apps.nmfs.noaa.gov>, and then selecting File No. 26269 from the list of available applications. These documents are also available upon written request via email to [NMFS.Pr1Comments@noaa.gov](mailto:NMFS.Pr1Comments@noaa.gov).

Written comments on this application should be submitted via email to [NMFS.Pr1Comments@noaa.gov](mailto:NMFS.Pr1Comments@noaa.gov). Please include File No. 26269 in the subject line of the email comment.

Those individuals requesting a public hearing should submit a written request

via email to [NMFS.Pr1Comments@noaa.gov](mailto:NMFS.Pr1Comments@noaa.gov). The request should set forth the specific reasons why a hearing on this application would be appropriate.

#### FOR FURTHER INFORMATION CONTACT:

Jennifer Skidmore or Shasta McClenahan, Ph.D. (301) 427-8401.

**SUPPLEMENTARY INFORMATION:** The subject permit is requested under the authority of the Marine Mammal Protection Act of 1972, as amended (MMPA; 16 U.S.C. 1361 *et seq.*) and the regulations governing the taking and importing of marine mammals (50 CFR part 216).

The applicant proposes to import teeth from 19 finless porpoises for age analysis. These animals were incidentally killed during fishing operations and were recovered by the Institute of Hydrobiology, Chinese Academy of Science. A permit is requested for a duration of three years.

In compliance with the National Environmental Policy Act of 1969 (42 U.S.C. 4321 *et seq.*), an initial determination has been made that the activity proposed is categorically excluded from the requirement to prepare an environmental assessment or environmental impact statement.

Concurrent with the publication of this notice in the **Federal Register**, NMFS is forwarding copies of the application to the Marine Mammal Commission and its Committee of Scientific Advisors.

Dated: February 17, 2022.
