Title: Funding and Liquidity Risk Management.

OMB Control No.: 1557-0244.

Description: The Interagency Policy Statement on Funding and Liquidity Risk Management ¹ (Policy Statement) summarizes the principles of sound liquidity risk management that the Federal banking agencies have issued in the past ² and, where appropriate, harmonizes these principles with the international statement issued by the Basel Committee on Banking Supervision titled "Principles for Sound Liquidity Risk Management and Supervision." ³ The Policy Statement

describes supervisory expectations for all depository institutions including banks, savings associations, and credit unions.

Section 14 of the Policy Statement provides that financial institutions should consider liquidity costs, benefits, and risks in strategic planning and budgeting processes. Significant business activities should be evaluated for liquidity risk exposure as well as profitability. More complex and sophisticated financial institutions should incorporate liquidity costs, benefits, and risks in the internal product pricing, performance measurement, and new product approval process for all material business lines, products, and activities. Incorporating the cost of liquidity into these functions should align the risk-taking incentives of individual business lines with the liquidity risk exposure their activities create for the institution as a whole. The quantification and attribution of liquidity risks should be explicit and transparent at the line management level, and should include consideration of how liquidity would be affected under stressed conditions.

Section 20 of the Policy Statement states that liquidity risk reports should provide aggregate information with sufficient supporting detail to enable management to assess the sensitivity of the institution to changes in market conditions, its own financial performance, and other important risk factors. Institutions also should report on the use and availability of government support, such as lending and guarantee programs, and implications on liquidity positions, particularly since these programs are generally temporary or reserved as a source for contingent funding.

SUPPLEMENTARY INFORMATION:

Correction

In the **Federal Register** of February 14, 2022, in FR Doc. 2022-03024, on page 8340, the language describing International Taxpayers is being replaced to read:

Notice is hereby given that the Department of the Treasury and the Internal Revenue Service (IRS) are inviting individuals to help improve the nation’s tax agency by applying to be members of the Taxpayer Advocacy Panel (TAP). The mission of the TAP is to listen to taxpayers, identify issues that affect taxpayers, and make suggestions for improving IRS service and customer satisfaction. The TAP serves as an advisory body to the Secretary of the Treasury, the Commissioner of Internal Revenue, and the National Taxpayer Advocate. TAP members will participate in subcommittees that channel their feedback to the IRS through the Panel’s parent committee.

The IRS is seeking applicants who have an interest in good government, a personal commitment to volunteer approximately 200 to 300 hours a year, and a desire to help improve IRS customer service. As a federal advisory committee, TAP is required to have a fairly balanced membership in terms of the points of view represented. Thus,

TAP membership represents a cross-section of the taxpaying public with at least one member from each state, the District of Columbia and Puerto Rico, in addition to one member representing international taxpayers. For these purposes, “international taxpayers” are broadly defined to include U.S. citizens working, living, or doing business abroad. Potential candidates must be U.S. citizens, not a current employee of any Bureau of the Treasury Department or have worked for any Bureau of the Treasury Department within the three years of December 1 of the current year and must pass a federal tax compliance check and a Federal Bureau of Investigation criminal background investigation. Applicants who practice before the IRS must be in good standing with the IRS (meaning not currently under suspension or disbarment). Federally registered lobbyists cannot be members of the TAP. The IRS is seeking candidates in the following locations: Alabama, Arkansas, Arizona, California, Colorado, Florida, Iowa, Idaho, Illinois, Indiana, Kentucky, Massachusetts, Maine, Missouri, Mississippi, Montana, North Carolina, North Dakota, New Hampshire, New Mexico, Nevada, New York, Ohio, Oklahoma, Oregon, Puerto Rico, Rhode Island, South Carolina, South Dakota, Texas, Vermont, Wisconsin, and West Virginia. TAP members are a diverse group of citizens who represent the interests of taxpayers, from their respective geographic locations as well as taxpayers overall. Members provide feedback from a taxpayer’s perspective on ways to improve IRS customer service and administration of the federal tax system, by identifying grassroots taxpayer issues. Members should have good communication skills and be able to speak to taxpayers about TAP and its activities, while clearly distinguishing between TAP positions and their personal viewpoints.

Interested applicants should visit the TAP website at www.improveirs.org for more information about TAP. Applications may be submitted online at www.usajobs.gov. For questions about TAP membership, call the TAP toll-free number, 1-888-912-1227 and select prompt 5. Callers who are outside of the U.S. should call 214-413-6523 (not a toll-free call).

The opening date for submitting applications is February 14, 2022, and the deadline for submitting applications is April 8, 2022. Interviews will be held. The Department of the Treasury will review the recommended candidates and make final selections. New TAP members will serve a three-year term starting in December 2022. (Note:

Highly ranked applicants not selected as members may be placed on a roster of alternates who will be eligible to fill future vacancies that may occur on the Panel.)

Questions regarding the selection of TAP members may be directed to Lisa Billups, Taxpayer Advocacy Panel, Internal Revenue Service, 1111 Constitution Avenue NW, TA:TAP Room 1509, Washington, DC 20224, or 214-413-6523 (not a toll-free call).

Dated: February 17, 2022.

Kevin Brown,

Acting Director, Taxpayer Advocacy Panel.

SUPPLEMENTARY INFORMATION: The Project Grant Agreement contains the following features:

(1) *The outcome goals of the social impact partnership project:*

NYC-MOCJ’s Cure Violence Pay for Success Project proposes the following outcomes: Reduced shootings, reduced victimization and reduced associated medical (Medicaid) costs. (2) *A description of each intervention in the project:*

NYC-MOCJ will expand their evidence-based model of violence interruption, the Cure Violence program, to eight new program service areas to reduce shootings and hospitalizations over a five-year span by targeting previously unserved geographies and youth at the highest risk for involvement in violence.
