Abstract of Proposed Collection

A U.S. passport (book and/or card format) is a travel document attesting to one's identity and U.S. nationality pursuant to authorities granted to the Secretary of State by 22 U.S.C. 211a *et seq.*, and Executive Order (E.O.) 11295 (August 5, 1966) for the issuance of passports to U.S. nationals. The issuance of U.S. passports requires the determination of identity, nationality, and entitlement with reference to the provisions of Title III of the Immigration and Nationality Act (INA) (8 U.S.C. 1401–1504), the 14th Amendment to the Constitution of the United States, other applicable treaties, laws, and implementing regulations at 22 CFR parts 50 and 51. The primary purpose for soliciting the information is to establish nationality, identity, and entitlement to the issuance of a U.S. passport, and to properly administer and enforce the laws pertaining to the issuance thereof.

- *1405-0004, DS-11, Application for a U.S. Passport:* The form is used by

eligible citizens and non-citizen nationals (hereinafter, collectively referred to as “nationals”) of the United States who need to apply for a U.S. passport. The specific regulations pertaining to the Application for a U.S. Passport are at 22 CFR 51.20 through 51.28.

- *1405-0020, DS-82, The U.S. Passport Renewal Application for Eligible Individuals:* The form is used by current U.S. passport holders who are eligible to renew their current or recently expired U.S. passport. The specific regulations pertaining to the Application for a U.S. Passport by Mail (*i.e.*, the U.S. Passport Renewal Application for Eligible Individuals) are 22 CFR 51.20 and 51.21.

- *1405-0160, DS-5504, The Application for a U.S. Passport: Corrections, Name Change Within 1 Year of Passport Issuance, And Limited Passport Holders:* The form is used by current U.S. passport holders who are eligible to re-apply for a passport, at no charge if: (a) The passport holder's name has changed within the first year of the issuance of the passport; (b) the passport holder's descriptive information on the data page of the passport is incorrect; (c) the passport holder wishes to obtain a fully valid passport after obtaining a full-fee passport with a limited validity of two years or less. The regulations pertaining to the form are at 22 CFR parts 50 and 51.

The forms have been amended based on a change in Department policy. The Department's new policy permits passport applicants to select the gender marker on their passport without presenting medical documentation. This policy change includes updating forms to add a third gender marker, “X,” for applicants identifying as unspecified or another gender identity (in addition to the existing “M” and “F” gender markers).

Methodology

Passport Services collects information from U.S. citizens and non-citizen nationals when they complete and submit the forms. Passport applicants can either download the forms from the internet or obtain one from an Acceptance Facility/Passport Agency or U.S. embassy/consulate abroad. The DS-11 must be completed and executed at an acceptance facility, passport agency, or U.S. embassy/consulate (if abroad), and submitted with evidence of citizenship and identity. The DS-82 and DS-5504 must be completed, signed, and submitted by mail or in person at an acceptance facility, passport agency, or U.S. embassy/consulate (if abroad). (In July 2021, OMB approved a non-

substantial change to add the DS-82 Online Passport Renewal (OPR) which will allow customers to renew their U.S. passport electronically in the near future).

Kevin E. Bryant,

Deputy Director, Office of Directives Management, Department of State.
