

and organization of 40 CFR part 171 and overall program operation. The changes are intended to ensure that all persons who use RUPs—*i.e.*, private applicators, commercial applicators, and noncertified applicators using RUPs under the direct supervision of certified applicators—are competent to use RUPs in a manner that will not result in unreasonable adverse effects to themselves, others, or the environment.

This ICR estimates the burden and costs of the rule-related information collection activities, including burden and cost estimates related to initial rule familiarization activities.

Form Numbers: None.

Respondents/affected entities:

Agricultural establishments, pest control officials, pesticide registrants, pesticide dealers, and administrators of environmental protection programs, governmental pest control programs, pesticide applicator certification programs (*e.g.*, authorized agencies), and RUP dealers (only for EPA administrated programs).

Respondent's obligation to respond: Mandatory, FIFRA sections 3 and 11.

Estimated number of respondents: 1,860,974 (total).

Frequency of response: On occasion.

Total estimated burden: 2,280,849 hours (per year). Burden is defined at 5 CFR 1320.3(b).

Total estimated cost: \$108,061,898 (per year), includes \$0 annualized capital or operation and maintenance costs.

Changes in the estimates: Apart from updating the format of the ICR to meet current format standards and a few minor changes, there are no substantive changes from the ICR currently approved by OMB.

Courtney Kerwin,

Director, Regulatory Support Division.

Toxic Substances Control Act (TSCA) Collaborative Research Program To Support New Chemical Reviews; Notice of Public Meeting and Request for Comments

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: The Environmental Protection Agency (EPA) is holding a virtual public meeting to seek individual input on the proposed Toxic Substances Control Act (TSCA) New Chemicals Collaborative Research Program. This virtual meeting will be held over 2 half days. In addition, EPA is announcing the availability of and soliciting public comment on the draft document entitled "Modernizing the Process and Bringing Innovative Science to Evaluate New Chemicals Under TSCA." The Office of Chemical Safety and Pollution Prevention (OCSPF) is proposing to develop and implement a multi-year collaborative research program focused on approaches for performing risk assessments on new chemical

substances under TSCA. This effort will be performed in partnership with the Agency's Office of Research and Development (ORD) and other federal entities to leverage their expertise and resources. The results of the effort are expected to bring innovative science to new chemical reviews, modernize the approaches used, and increase the transparency of the information underpinning the human health and ecological risk assessment process.

DATES:

Virtual Public Meeting: Will be held virtually on April 20 and 21, 2022, from 1:00 p.m. to approximately 5:00 p.m. (EDT) each day. See the additional details and instructions for registration that appear in Unit III.

Written Comments: Submit your written comments on or before April 26, 2022. As described in Unit III., you may also register to make oral comments during the virtual public meeting.

Special accommodations: Requests for special accommodations should be submitted on or before April 6th, 2022, to allow EPA time to process these requests.

ADDRESSES:

Virtual Public Meeting: You must register online to receive the webcast meeting link and audio teleconference information. Please follow the registration instructions that will be announced on the New Chemicals Collaborative Research Program website available at: <https://www.epa.gov/reviewing-new-chemicals-under-toxic-substances-control-act-tsca/new-chemicals-collaborative> by March 14, 2022. For additional instructions related to this meeting, see Unit III.

Written Comments: Submit written comments, identified by docket identification (ID) number EPA-HQ-OPPT-2022-0218, through the Federal eRulemaking Portal at <https://www.regulations.gov>. Follow the online instructions for submitting comments. Do not electronically submit any information you consider to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Copyrighted material will not be posted without explicit permission of the copyright holder. Members of the public should also be aware that their personal contact information, if included in any written comments, may be posted on the internet at <https://www.regulations.gov>. Additional information on commenting or visiting the docket, along with more information about dockets generally, is available at <https://www.epa.gov/dockets>.
