Form 8-A

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Form 8-A (17 CFR 249.208a) is a registration statement used to register a class of securities under Section 12(b) or Section 12(g) of the Securities Exchange Act of 1934 (15 U.S.C. 78l(b) and 78l(g)) ("Exchange Act"). Section 12(a) (15 U.S.C. 78l(a)) of the Exchange Act makes it unlawful for any member, broker, or dealer to effect any transaction in any security (other than an exempted security) on a national securities exchange unless such security has been registered under the Exchange Act (15 U.S.C. 78a *et seq.*). Exchange Act Section 12(b) establishes the registration procedures. Exchange Act Section 12(g) requires an issuer that is not a bank or bank holding company to register a class of equity securities (other than exempted securities) within 120 days after its fiscal year end if, on the last day of its fiscal year, the issuer has total assets of more than \$10 million and the class of equity securities is "held of record" by either (i) 2,000 persons, or (ii) 500 persons who are not accredited investors. An issuer that is a bank or a bank holding company, must

¹⁰ 17 CFR 200.30-3(a)(85).

register a class of equity securities (other than exempted securities) within 120 days after the last day of its first fiscal year ended after the effective date of the JOBS Act if, on the last day of its fiscal year, the issuer has total assets of more than \$10 million and the class of equity securities is "held of record" by 2,000 or more persons. Form 8-A takes approximately 3 hours to prepare and is filed by approximately 1,376 respondents for a total annual reporting burden of 4,128 hours (3 hours per response × 1,376 responses).

Written comments are invited on: (a) Whether this proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication by May 9, 2022.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Please direct your written comment to David Bottom, Director/Chief Information Officer, Securities and Exchange Commission, c/o John Pezzullo, 100 F Street NE, Washington, DC 20549 or send an email to: PRA_Mailbox@sec.gov.

Regulation 14C (Commission Rules 14c-1 through 14c-7 and Schedule 14C)

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Section 14(c) of the Securities Exchange Act of 1934 (the “Exchange Act”) operates to require issuers that do not solicit proxies or consents from any or all of the holders of record of a class of securities registered under Section 12 of the Exchange Act and in accordance with the rules and regulations prescribed under Section 14(a) in connection with a meeting of security holders (including action by consent) to distribute to any holders that were not solicited an information statement substantially equivalent to the information that would be required to be transmitted if a proxy or consent solicitation were made. Regulation 14C (Exchange Act Rules 14c-1 through 14c-7 and Schedule 14C) (17 CFR 240.14c-1 through 240.14c-7 and 240.14c-101) sets forth the requirements for the dissemination, content and filing of the information statement. We estimate that Schedule 14C takes approximately 132,058 hours per response and will be filed by approximately 569 issuers annually. In addition, we estimate that 75% of the 132,058 hours per response (99,044 hours) is prepared by the issuer for an annual reporting burden of 56,356 hours (99,044 hours per response × 569 responses).

Written comments are invited on: (a) Whether this proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency’s estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication by May 9, 2022.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.
