

regional hospitals. The award will improve support to and the coordination of the TB and OIs laboratory network for quality assured diagnosis of TB/DR-TB, including smear microscopy (LED), Lipoarabinomannan Assay (LF-LAM) for the diagnosis and screening of active tuberculosis in people with HIV, solid and liquid culture, and molecular WHO-recommended diagnostic tests (LIPA, Xpert Ultra). Funding amounts for years 2–5 will be set at continuation.

DATES: The period for this award will be September 30, 2022 through September 29, 2027.

FOR FURTHER INFORMATION CONTACT:

Titania Techeira, Center for Global Health, Centers for Disease Control and Prevention, CDC Côte d'Ivoire, U.S. Embassy B.P. 730 Abidjan Cidex 03, Telephone: 800–232–6348, Email: iux2@cdc.gov.

SUPPLEMENTARY INFORMATION: The single-source award will strengthen IPCI as the National Reference Laboratory for TB and microbiology tests. This will enable IPCI to better and further sustain the efforts in 27 Anti-Tuberculosis Centers (CATs) and in 16 regional reference laboratories previously supported for decentralized microbiology diagnosis.

IPCI is in a unique position to conduct this work as it is the designated laboratory institution in charge of integrated Disease Surveillance and Response (IDSR) in Cote d'Ivoire by the Ministry of Health (MOH) and Ministry of Scientific Research. IPCI is responsible for the implementation, monitoring, and evaluation of population-based TB, malaria and epidemic disease surveillance, including HIV opportunistic infections, as well as prevention and care policies and interventions.

Summary of the Award

Recipient: IPCI.

Purpose of the Award: The purpose of this award is to sustain decentralization of HIV-associated microbiology at regional hospitals and to expand interventions to additional regional hospitals. It will improve support to and the coordination of the TB and OIs laboratory network for quality assured diagnosis of TB/DR-TB, including smear microscopy (LED), Lipoarabinomannan Assay (LF-LAM) for the diagnosis and screening of active tuberculosis in people with HIV, solid and liquid culture, and molecular WHO-recommended diagnostic tests (LIPA, Xpert Ultra).

Amount of Award: The approximate year 1 funding amount will be

\$1,000,000 in Federal Fiscal Year (FFY) 2022 funds, subject to the availability of funds. Funding amounts for years 2–5 will be set at continuation.

Authority: Public Law 108–25 (the United States Leadership Against HIV/AIDS, Tuberculosis and Malaria Act of 2003).

Period of Performance: September 30, 2022 through September 29, 2027.

Dated: March 2, 2022.

Terrance Perry,

Chief Grants Management Officer, Centers for Disease Control and Prevention.

BILLING CODE 4163–18–P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

Notice of Award of a Single-Source Cooperative Agreement To Fund Machakos County Government, Makueni County Government, Kitui County Government, and Nairobi County Government (Represented by Nairobi Metropolitan Services), Kenya

AGENCY: Centers for Disease Control and Prevention (CDC), Department of Health and Human Services (HHS).

ACTION: Notice.

SUMMARY: The Centers for Disease Control and Prevention (CDC), located within the Department of Health and Human Services (HHS) announces the award of approximately \$1,400,000 for Year 1 of, and an average 1 year award amount of \$350,000, funding to the Machakos County Government, Makueni County Government, Kitui County Government, and Nairobi County Government (represented by Nairobi Metropolitan Services). The awards will advance current efforts to attain ownership, leadership, and implementation capacity for HIV services by the Nairobi, Machakos, Makueni and Kitui County governments, and to achieve and sustain HIV epidemic control through sustainable high-quality comprehensive HIV prevention and treatment services. Funding amounts for years 2–5 will be set at continuation.

DATES: The period for this award will be September 30, 2022 through September 29, 2027.

FOR FURTHER INFORMATION CONTACT: Dr. Lucy Nganga, Center for Global Health, Centers for Disease Control and Prevention, KEMRI Campus, Mbagathi Road—off Mbagathi Way, P.O. Box 606, Village Market, 00621, Nairobi, Kenya.

Telephone: 800–232–6348, Email: hon5@cdc.gov.

SUPPLEMENTARY INFORMATION: The single-source awards will support Nairobi, Machakos, Makueni and Kitui County Governments to achieve two goals: (1) Implementation and expansion of comprehensive HIV services with the goal of achieving and maintaining epidemic control, and (2) Strengthening the capacity of Nairobi, Machakos, Makueni and Kitui county governments' Department of Health Services to progressively manage, sustain and transition to ownership of HIV service delivery.

The 2010 Kenyan constitution (Chapter 11, article 174–176;189) <https://www.klrc.go.ke/index.php/constitution-of-kenya>; the Fourth Schedule, Part 2 <https://www.klrc.go.ke/index.php/constitution-of-kenya/167-schedules-schedules/fourth-schedule-distribution-of-functions-between-national-and-the-county-governments> and the Kenya Health Act (Act No. 21 2017) <http://kenyalaw.org/8181/exist/kenyalex/actview.xql?actid=No.%2021%20of%202017> prescribed roles for the new county government, whereby each county is responsible for provision of health care services to its residents. Nairobi, Machakos, Makueni and Kitui County Governments' Departments of Health Services have the sole mandate to manage and implement Nairobi, Machakos, Makueni and Kitui Counties' public health response to HIV and implementing partners must work through these entities. CDC's support to Nairobi, Machakos, Makueni and Kitui County will directly increase the capacity of Department of Health Services to support long-term sustainable HIV service delivery response in Kenya.

Summary of the Award

Recipient: Machakos County Government, Makueni County Government, Kitui County Government, and Nairobi County Government (represented by Nairobi Metropolitan Services).

Purpose of the Award: The purpose of this award is to advance current efforts to attain ownership, leadership, and implementation capacity for HIV services by the Nairobi, Machakos, Makueni and Kitui County governments, and to achieve and sustain HIV epidemic control through sustainable high-quality comprehensive HIV prevention and treatment services. This will be achieved through health system strengthening and increased coverage of high quality, client-centered comprehensive HIV prevention and treatment services, resulting in a

decrease in HIV incidence and reduction in HIV associated morbidity and mortality.

Amount of Award: The approximate year 1 funding amount in Federal Fiscal Year (FFY) 2022 funds will be, subject to the availability of funds:

- Kitui County: Anticipated Year 1 Funding Amount is \$300,000.
- Makeni County: Anticipated Year 1 Funding Amount is \$300,000.
- Machakos County: Anticipated Year 1 Funding Amount is \$300,000.
- Nairobi County: Anticipated Year 1 Funding Amount is \$500,000.

Funding amounts for years 2–5 will be set at continuation.

Authority: Public Law 108–25 (the United States Leadership Against HIV AIDS, Tuberculosis and Malaria Act of 2003).

Period of Performance: September 30, 2022 through September 29, 2027.

Dated: March 2, 2022.

Terrance Perry,

Chief Grants Management Officer, Centers for Disease Control and Prevention.

BILLING CODE 4163–18–P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

Notice of Award of a Single-Source Cooperative Agreement To Fund Burkina Faso Ministry of Health

AGENCY: Centers for Disease Control and Prevention (CDC), Department of Health and Human Services (HHS).

ACTION: Notice.

SUMMARY: The Centers for Disease Control and Prevention (CDC), located within the Department of Health and Human Services (HHS), announces the award of approximately \$450,000 for Year 1 of funding to the Burkina Faso Ministry of Health, to build laboratory and SI capacity to improve the provision of HIV testing, treatment, retention in line with HIV epidemic control and 95–95–95 targets (95% of HIV-positive individuals knowing their status, 95% of those receiving ART [Antiretroviral therapy], and 95% of those achieving viral suppression). Funding amounts for years 2–5 will be set at continuation.

DATES: The period for this award will be September 30, 2022, through September 29, 2027.

FOR FURTHER INFORMATION CONTACT: Trong Ao, Center for Global Health, Centers for Disease Control and

Prevention, CDC Ghana Office, U.S. Embassy, 24 Fourth Circular Road, Cantonments, Accra Ghana, Telephone: 800–232–6348, Email: tfa8@cdc.gov.

SUPPLEMENTARY INFORMATION: The single-source award will support the Burkina Faso Ministry of Health to implement HIV strategic information and laboratory strengthening activities in Burkina Faso. The National HIV/AIDS control program is one of the specialized programs within the Ministry of Health. The Burkina Faso Ministry of Health is in a unique position to conduct this work, as it functions under the Directorate of Disease Prevention and control of the Ministry and is the mandated institution to provide HIV treatment clinical services and guidelines in Burkina Faso.

Summary of the Award

Recipient: Burkina Faso Ministry of Health.

Purpose of the Award: The purpose of this award is to build laboratory and SI capacity to improve the provision of HIV testing, treatment, retention in line with HIV epidemic control and 95–95–95 targets. This award strives to build and strengthen laboratories that are equipped with the appropriate diagnostic technologies, trained and skilled staff, and systems that can provide efficient services. It will also strengthen SI systems, data quality assurance, and staff capacity responsible for managing facility-based, survey and surveillance data operating at national and subnational levels.

Amount of Award: The approximate year 1 funding amount will be \$450,000 in Federal Fiscal Year (FFY) 2022 funds, subject to the availability of funds. Funding amounts for years 2–5 will be set at continuation.

Authority: This program is authorized under Public Law 108–25 (the United States Leadership Against HIV AIDS, Tuberculosis and Malaria Act of 2003).

Period of Performance: September 30, 2022, through September 29, 2027.

Dated: March 2, 2022.

Terrance Perry,

Chief Grants Management Officer, Centers for Disease Control and Prevention.

BILLING CODE 4163–18–P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

Notice of Award of a Single-Source Cooperative Agreement To Fund the Southern Provincial Health Office (SPHO), Lusaka Provincial Health Office (LPHO), Western Provincial Health Office (WPHO), and Eastern Provincial Health Office (EPHO) in Zambia

AGENCY: Centers for Disease Control and Prevention (CDC), Department of Health and Human Services (HHS).

ACTION: Notice.

SUMMARY: The Centers for Disease Control and Prevention (CDC), located within the Department of Health and Human Services (HHS), announces the award of approximately \$57,500,000 for total year 1 of funding, and an average 1-year award amount of \$14,375,000, to the Southern Provincial Health Office (SPHO), Lusaka Provincial Health Office (LPHO), Western Provincial Health Office (WPHO), and Eastern Provincial Health Office (EPHO) in Zambia. The awards will provide the Provincial Health Offices (PHOs) with CDC technical assistance and financial support to maintain and sustain the provinces' overall leadership and oversight for implementing high-impact HIV combination prevention, treatment and support services, including clinical, surveillance, and laboratory services as well as to identify and mitigate emerging disease threats for people living with HIV (PLHIV). Funding amounts for years 2–5 will be set at continuation.

DATES: The period for this award will be September 30, 2022 through September 29, 2027.

FOR FURTHER INFORMATION CONTACT: Carolina Granados, Center for Global Health, Centers for Disease Control and Prevention, 351 Independence Ave., Lusaka, Zambia, Telephone: 800–232–6348, Email: hsy7@cdc.gov.

SUPPLEMENTARY INFORMATION: The single-source award will support the Zambian Ministry of Health to achieve and sustain gains made in HIV epidemic control in four Zambian Provinces, SPHO, LPHO, WPHO, EPHO. The PHOs will provide programmatic oversight, coordination, and direct service delivery in the provision of comprehensive HIV prevention, treatment, and support services, while strengthening health systems for sustainability. Broad areas of support include, but are not limited to:
