SUPPLEMENTARY INFORMATION:

Title of Collection: Electronic Fund Transfer Act (Regulation E).

OMB Control Number: 3170-0014.

Type of Review: Extension of a currently approved information collection.

Affected Public: Businesses and other for-profit institutions.

Estimated Number of Respondents: 600,000.

Estimated Total Annual Burden Hours: 3,361,056.

Abstract: The Electronic Fund Transfer Act (EFTA), 15 U.S.C. 1693 *et seq.*, requires accurate disclosure of the costs, terms, and rights relating to electronic fund transfer (EFT) services and remittance transfer services to consumers. Entities offering EFT services must provide consumers with full and accurate information regarding consumers' rights and responsibilities in connection with EFT services. These disclosures are intended to protect the rights of consumers using EFT services, such as automated teller machine (ATM) transfers, telephone bill-payment services, point-of-sale transfers at retail establishments, electronic check conversion, payroll cards, and preauthorized transfers from or to a consumer's account. EFTA also establishes error resolution procedures and limits consumer liability for unauthorized transfers in connection with EFT services. EFTA and Regulation E impose disclosure and other requirements on issuers and sellers of gift cards, gift certificates, and general-use prepaid cards. Further, EFTA and Regulation E provide protections for consumers in the United States who send remittance transfers to persons in a foreign country. It also provides comprehensive protections for consumers who use "prepaid accounts." Tailored provisions governing disclosures, limited liability, error resolution, and periodic statements added new requirements regarding the posting of account agreements. Additionally, Regulations E regulates overdraft credit features offered in connection with prepaid accounts.

Request for Comments: The Bureau published a 60-day **Federal Register** notice on 12/16/2021 (86 FR 71453) under Docket Number: CFPB-2021-0021. The Bureau is soliciting

comments on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Bureau, including whether the information will have practical utility; (b) The accuracy of the Bureau's estimate of the burden of the collection of information, including the validity of the methods and the assumptions used; (c) Ways to enhance the quality, utility, and clarity of the information to be collected; and (d) Ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Comments submitted in response to this notice will be submitted to OMB as part of its review of this request. All comments will become a matter of public record.

SUPPLEMENTARY INFORMATION:

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The McNair Program is one of the seven programs collectively known as the Federal TRIO Programs. The McNair Program awards discretionary grants to institutions of higher education for projects designed to provide disadvantaged college students with effective preparation for doctoral study.

Required services under the McNair Program are specified in sections 402E(b) of the Higher Education Act of 1965, as amended (HEA) (20 U.S.C. 1070a–15), and permissible services under the McNair Program are specified in section 402E(c) of the HEA.

Priorities: This notice contains two competitive preference priorities. Competitive Preference Priority 1 is from the Secretary’s Supplemental Priorities and Definitions for Discretionary Grant Programs, published in the **Federal Register** on December 10, 2021 (86 FR 70612) (Supplemental Priorities). Competitive Preference Priority 2 is from the Secretary’s Notice of Administrative Priorities for Discretionary Grant Programs, published in the **Federal Register** on March 9, 2020 (85 FR 13640) (Administrative Priorities).

Note: Applicants must include in the one-page abstract submitted with the application a statement indicating which, if any, competitive preference priorities are addressed. If the applicant

has addressed any of the competitive preference priorities, this information must also be listed on the McNair Program Profile Form.

Competitive Preference Priorities: For FY 2022 and any subsequent year in which we make awards from the list of unfunded applicants from this competition, these priorities are competitive preference priorities. Under 34 CFR 75.105(c)(2)(i), we award up to an additional six points to an application, depending on how well the application meets these priorities.

These priorities are:

Competitive Preference Priority 1: Promoting Equity in Student Access to Educational Resources and Opportunities (Up to 3 points).

Under this priority, an applicant must demonstrate that the project will be implemented by one or more of the following entities:

- (1) Historically Black colleges and universities (as defined in this notice).
- (2) Tribal Colleges and Universities (as defined in this notice).
- (3) Minority-serving institutions (as defined in this notice).

Competitive Preference Priority 2: Applications that Demonstrate a Rationale (Up to 3 points).

Under this priority, an applicant proposes a project that demonstrates a rationale (as defined in this notice).

Definitions:

The definitions below are from the McNair Program regulations, 34 CFR 647.7(b); 34 CFR 77.1; and the Supplemental Priorities.

Demonstrates a rationale means a key project component included in the project’s logic model is informed by research or evaluation findings that suggest the project component is likely to improve relevant outcomes.

Groups underrepresented in graduate education include Black (non-Hispanic), Hispanic, American Indian, Alaskan Native (as defined in section 7306 of the Elementary and Secondary Education Act of 1965, as amended (ESEA)), Native Hawaiians (as defined in section 7207 of the ESEA), and Native American Pacific Islanders (as defined in section 320 of the HEA).

Historically Black colleges and universities means colleges and universities that meet the criteria set out in 34 CFR 608.2.

Logic model (also referred to as a theory of action) means a framework that identifies key project components of the proposed project (*i.e.*, the active “ingredients” that are hypothesized to be critical to achieving the relevant outcomes) and describes the theoretical and operational relationships among the
