Proposed Settlement Agreement, Clean Air Act Citizen Suit

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of proposed settlement agreement; request for public comment.

SUMMARY: In accordance with the Clean Air Act, as amended (CAA or the Act), notice is given of a proposed settlement agreement in *Genscape, Inc. v. EPA*, No. 19–3705 (6th Cir.). On July 26, 2019, Petitioner Genscape, Inc. (Genscape) filed a petition for review in the United States Court of Appeals for the Sixth Circuit. Genscape challenged the final action of the Environmental Protection Agency (EPA or the Agency) entitled “EPA Final Determination in the Matter of Genscape, Inc., Option A Quality Assurance Plan Auditor Under the Renewable Fuel Standard Program” (“Final Determination”), which was issued on May 31, 2019. The proposed settlement agreement would require dismissal of the litigation once EPA issues a revision to the Final Determination as specified in Attachment A.

DATES: Written comments on the proposed settlement agreement must be received by *April 15, 2022*.

ADDRESSES: Submit your comments, identified by Docket ID No. EPA–HQ–OGC–2022–0293, online at <https://www.regulations.gov> (EPA’s preferred method). Follow the online instructions for submitting comments.

Instructions: All submissions received must include the Docket ID number for this action. SUPPLEMENTARY INFORMATION:

I. Obtaining a Copy of the Proposed Settlement Agreement

The official public docket for this action (identified by Docket ID No. EPA–HQ–OGC–2022–0293) contains a copy of the proposed settlement agreement.

The electronic version of the public docket for this action contains a copy of the proposed settlement agreement and is available through <https://www.regulations.gov>. You may use <https://www.regulations.gov> to submit or view public comments, access the index listing of the contents of the official public docket, and access those documents in the public docket that are available electronically. Once in the system, key in the appropriate docket identification number then select “search.”

II. Additional Information About the Proposed Settlement Agreement

On May 31, 2019, EPA issued the Final Determination in which it (1) revoked Genscape’s registration as a Quality Assurance Plan (QAP) auditor pursuant to 40 CFR 80.1450(g)(11); (2) revoked Genscape’s QAP A Plan under 40 CFR 80.1469(e)(4); and (3) required Genscape to replace the remaining invalid A–RINs it had verified and that were used for compliance purposes pursuant to 40 CFR 80.1470(d) and 80.1474(b)(5)(i). On July 26, 2019, Genscape filed a petition for review in the Sixth Circuit Court of Appeals challenging only the portion of the Final Determination requiring Genscape to replace the invalid RINs. The proposed settlement would require dismissal of this litigation once EPA issues a revision to the Final Determination as specified in Attachment A within 30 days of a fully executed settlement agreement. The revision to the Final Determination would be limited to revisions addressing the number of RINs Genscape must replace, the time in which they must be replaced and other requirements regarding that RIN replacement. Genscape would file an appropriate pleading to dismiss its petition for review with prejudice

within 15 days of EPA issuing the revision to the Final Determination.

If Genscape fully complies with the revised Final Determination, it would fulfill Genscape's RIN replacement obligations under and bring Genscape into compliance with 40 CFR 80.1470 and 80.1474 regarding the auditing activities described in the Final Determination and would fully resolve all RIN retirement obligations of Genscape and its parent companies identified in the proposed settlement agreement arising from the Final Determination. If Genscape fails to comply with any requirement in the revised Final Determination, EPA would reserve the right to initiate proceedings to enforce that action. If EPA fails to issue the revisions to the Final Determination, Genscape would be able to pursue its challenge to the original Final Determination.

In accordance with section 113(g) of the CAA, for a period of thirty (30) days following the date of publication of this document, the Agency will accept written comments relating to the proposed settlement agreement. EPA or the Department of Justice may withdraw or withhold consent to the proposed settlement agreement if the comments disclose facts or considerations that indicate that such consent is inappropriate, improper, inadequate, or inconsistent with the requirements of the Act.
