Pandemic Cover Crop Program; Correction

AGENCY: Federal Crop Insurance Corporation, U.S. Department of Agriculture (USDA).

ACTION: Final rule; correction.

SUMMARY: Due to inadvertently having not included valid cover cropping practices because of the timing of acreage reporting, the Federal Crop Insurance Corporation (FCIC) is correcting a final rule that published in the **Federal Register** on February 11, 2022. The final rule announced the Pandemic Cover Crop Program (PCCP) that provides support for agricultural producers impacted by the COVID–19 pandemic for the 2022 crop year. With a specific focus on strengthening outreach to underserved producers and communities and small and medium agricultural operations, USDA dedicated funding to reaching a broader set of producers than was reached in previous COVID–19 assistance programs. As a part of that initiative, the final rule established PCCP for 2022.

DATES: Effective April 12, 2022.
