Title: Small Dollar Loan Program.

OMB Control Number: 1559-0051.

Description: The Small Dollar Loan Program (SDL Program) is a new program, authorized by Title XII—Improving Access to Mainstream Financial Institutions Act of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (Pub. L. 111-203), which amended The Community Development Banking and Financial Institutions Act of 1994 to include the Small Dollar Loan Program (12 U.S.C.

Through the SDL Program, the CDFI Fund provides grants for loan loss reserves and technical assistance to enable award recipients to establish and maintain small dollar loan programs to address the issues of expanding consumer access to mainstream financial institutions and providing alternatives to high-cost small dollar loans. The SDL Program is also intended to enable award recipients to help unbanked and underbanked populations build credit, access affordable capital, and allow greater access into the mainstream financial system.

Through the SDL Program, the CDFI Fund will provide:

Grants for Loan Loss Reserves (LLR): The awards will enable a Certified Community Development Financial Institution (CDFI) to establish a loan loss reserve fund in order to defray the costs of establishing or maintaining a small dollar loan program.

Grants for Technical Assistance (TA): The awards will support technology, staff support, and other eligible activities to enable a Certified CDFI to establish and maintain a small dollar loan program.

SDL Program Award Recipients are selected through a competitive process involving a careful review of their Application for program funding. The Application requires the submission of numeric data and narrative responses for two parts: Part 1: Business Strategy and Community Impact and Part 2: Organization Capacity, including Financial Analysis and Compliance Risk Evaluation.
