Agency Information Collection Activities: Submission for OMB Review; Comment Request

Periodically, the Substance Abuse and Mental Health Services Administration (SAMHSA) will publish a summary of information collection requests under OMB review, in compliance with the Paperwork Reduction Act (44 U.S.C. Chapter 35). To request a copy of these documents, call the SAMHSA Reports Clearance Officer on (240) 276-0361.

Proposed Project: Pretesting of Substance Abuse Prevention and Treatment and Mental Health Services Communications Messages—(OMB No. 0930-0196)—Reinstatement

As the federal agency responsible for developing and disseminating authoritative knowledge about substance abuse prevention, addiction

treatment, and mental health services and for mobilizing consumer support and increasing public understanding to overcome the stigma attached to addiction and mental illness, SAMHSA is responsible for development and dissemination of a wide range of education and information materials for both the general public and the professional communities. This submission is for generic approval and will provide for formative and qualitative evaluation activities to: (1) assess audience knowledge, attitudes, behavior and other characteristics for the planning and development of messages, communication strategies and public information programs; and (2) test these messages, strategies and program components in developmental form to assess audience comprehension, reactions, and perceptions. Information obtained from testing can then be used to improve materials and strategies while revisions are still affordable and possible. The annual burden associated with these activities is summarized below.

Activity	Number of respondents	Responses/ respondent	Hours per response	Total hours	Hourly wage rate (\$) ¹	Total Hour cost (\$)

Abstract: Travelers who do not have proof of prior possession in the United States of foreign made articles and who do not want to be assessed duty on these items can register them prior to departing on travel. In order to register these articles, the traveler must complete CBP Form 4457, *Certificate of Registration for Personal Effects Taken Abroad*, and present it at the port at the time of export for examination of the articles of foreign origin and verification of the description. After the official has signed the document, it will be returned to the applicant for signature, for presentation to CBP upon return to United States, and for subsequent reuse. CBP Form 4457 is accessible at: <https://www.cbp.gov/newsroom/publications/forms?title=4457&=Apply>.

CBP Form 4455, *Certificate of Registration*, is used primarily for the registration, examination, and supervised lading of commercial shipments of articles exported for repair, alteration, or processing, which will subsequently be returned to the United States either duty free or at a reduced duty rate. The CBP Form 4455 may be required when a person, wishing to claim the status of a nonresident upon arrival for a short visit to the United States before returning abroad, imports articles free of duty under subheadings 9804.00.20, 9804.00.25, 9804.00.30, 9804.00.35, Harmonized Tariff Schedule of the United States (HTSUS) (19 U.S.C. 1202). It may also be used for the replacement of articles previously exempted from duty when the unsatisfactory articles are exported under the provisions 9804.00.75 and fall

under the \$800 or \$1,000 exemption limits. The export and return of theatrical scenery, properties, motion-picture films and effects or tools of a trade occupation or employment of domestic or foreign origin must also be reported on CBP Form 4555. The CBP Form 4455, may also be required in any case in which CBP Form 4457 will not adequately serve the purpose of registration. CBP Form 4455 must be presented to CBP for examination of the articles and verification of the articles' description. After the official has signed the document, it will be returned to the applicant for signature, for presentation to CBP upon return to United States, and for subsequent reuse. CBP Form 4455 is accessible at: <https://www.cbp.gov/newsroom/publications/forms?title=4455&=Apply>.

This registration is restricted to articles with serial numbers or other distinctive, permanently affixed unique markings, and are valid for reuse as long as the document legible to identify the registered articles.
