SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-94447; File No. SR-NASDAQ-2022-023]

Self-Regulatory Organizations; The Nasdaq Stock Market LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Harmonize Various Processes Under Options 3, Section 20 Across the Affiliated Nasdaq Options Exchanges

March 17, 2022.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on March 8, 2022, The Nasdaq Stock Market LLC

(“Nasdaq” or “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I, II, and III, below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to harmonize its processes and procedures under Options 3, Section 20 with those of its affiliated options exchange.

The text of the proposed rule change is available on the Exchange's website at <https://listingcenter.nasdaq.com/rulebook/nasdaq/rules>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to harmonize its existing processes for the review of decisions on appeal under Options 3, Section 20 with those of its affiliate Nasdaq Phlx LLC (“Phlx”). The Exchange also proposes several non-substantive, conforming changes in Options 3, Section 1.

Appeal

Today, Options 3, Section 20(k) governs the appeal process for determinations by Exchange staff made under this Rule, including obvious error determinations. Specifically, a party to a transaction affected by a decision made under this section may appeal that decision to the Exchange Review Council. An appeal must be made in writing, and must be received by the Exchange within thirty (30) minutes after the person making the appeal is

given the notification of the determination being appealed.

The Exchange proposes generally to maintain its current appeal process with certain additions to harmonize its process with that of its affiliate, Phlx. First, while Phlx similarly requires the parties to submit a request for review within thirty (30) minutes of being notified of the determination being appealed, Phlx also provides parties with additional time to submit their request if the notification occurs later in the trading day. In particular, if the notification is made after 3:30 p.m. Eastern Time, either party has until 9:30 a.m. Eastern Time on the next trading day to submit a request for review.³ Similar to Phlx, the Exchange believes that this flexibility will be helpful for Participants in submitting their appeal requests in a timely manner, particularly where notification of the Official's decision was received later in the trading day, and therefore proposes to adopt this provision in Options 3, Section 20(k).

Second, the Exchange proposes to add a provision for when the Exchange Review Council panel must render a decision on requests for appeal to harmonize to Phlx's process.

Specifically, the Exchange proposes in Options 3, Section 20(k) that the Exchange Review Council panel shall review the facts and render a decision on the day of the transaction, or the next trade day in the case where a request is properly made after 3:30 p.m. on the day of the transaction or where the request is properly made the next trade day.⁴

Options 3, Section 1

The Exchange proposes non-substantive, conforming amendments to Options 3, Section 1 (Days and Hours of Business). The Exchange first proposes to amend the title from “Days and Hours of Business” to “Hours of Business.” The Exchange recently filed to establish General 3, Section 1030, which governs the days the Exchange will be open for business.⁵ At this time, the Exchange also proposes to amend Options 3, Section 1(c) which provides, “NOM shall not be open for business on any

⁴ See Phlx Options 3, Section 20(l) for analogous language.

Rule 1030 of General 3 memorialized all current Exchange holidays and added a provision to permit the Exchange the authority to halt or suspend trading or close Exchange facilities for certain unanticipated closures.
