Needs and Uses: The following information collection requirements are covered under this collection: Section 73.3700(e)(2) requires all broadcast television station licensees and MVPDs

that are eligible to receive payment of relocation costs to file an estimated cost form providing an estimate of their reasonably incurred relocation costs no later than three months following the release of the Channel Reassignment Public Notice. If a broadcast television station licensee or MVPD seeks reimbursement for new equipment, it must provide a justification as to why it is reasonable under the circumstances to purchase new equipment rather than modify its corresponding current equipment in order to change channels or to continue to carry the signal of a broadcast television station that changes channels. Entities that submit their own cost estimates, as opposed to the predetermined cost estimates provided in the estimated cost form, must submit supporting evidence and certify that the estimate is made in good faith. If a broadcast television station licensee or MVPD has not yet completed construction or other reimbursable changes by the Final Allocation Deadline, it must provide the Commission with information and documentation regarding any remaining eligible expenses that it expects to reasonably incur.

Section 73.3700(e)(4) requires broadcast television station licensees and MVPDs that have received money from the TV Broadcaster Relocation Fund, after completing all construction or reimbursable changes, to submit final expense documentation containing a list of estimated expenses and actual expenses as of a date to be determined by the Media Bureau. Entities that have finished construction and have submitted all actual expense documentation by the Final Allocation Deadline will not be required to file at the final accounting stage.

Section 73.3700(e)(6) requires broadcast television station licensees and MVPDs that receive payment from the TV Broadcaster Relocation Fund to retain all relevant documents pertaining to construction or other reimbursable changes for a period ending not less

than 10 years after the date on which it receives final payment from the TV Broadcaster Relocation Fund and to make available all relevant documentation upon request from the Commission or its contractor.
