SUPPLEMENTARY INFORMATION:

Title: Multiple Peril Crop Insurance.
OMB Number: 0563–0053.

Expiration Date of Approval:
December 31, 2022.

Type of Request: Renewal of a currently approved information collection.

Abstract: The information collection requirements for this renewal package are necessary for administering the

Federal crop insurance program. Producers are required to report specific data when they apply for Federal crop insurance and report acreage, yields, and notices of loss. Insurance companies accept applications; issue policies; establish and provide insurance coverage; compute liability, premium, subsidies, and losses; indemnify producers; and report specific data to FCIC as required in Appendix III/M13 Handbook. Commodities for which Federal crop insurance is available are included in this information collection package.

FCIC is requesting that the Office of Management and Budget (OMB) extend the approval of this information collection for an additional 3 years.

The purpose of this notice is to solicit comments from the public concerning this information collection. These comments will help us:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information has practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond (such as through the use of appropriate automated, electronic, mechanical, or other forms of information technology, e.g., permitting electronic submission of responses).

Estimate of Burden: The public reporting burden for this collection of information is estimated to average 0.76 hour per response.

Respondents/Affected Entities: Producers and insurance companies reinsured by FCIC.

Estimated Annual Number of Respondents: 534,374.

Estimated Annual Number of Responses per Respondent: 19.9.

Estimated Annual Number of Responses: 10,622,053.

Estimated Total Annual Burden on Respondents: 8,067,906.

All responses to this notice will be summarized and included in the request

for OMB approval. All comments will also become a matter of public record.

Marcia Bunger,

Manager, Federal Crop Insurance Corporation.

Forest Service

Notice of Proposed New Fee Sites

AGENCY: Forest Service, Agriculture (USDA).

ACTION: Notice of proposed new fee sites.

SUMMARY: The Prescott National Forest is proposing to charge new fees at multiple recreation sites listed in **SUPPLEMENTARY INFORMATION** of this notice. Funds from fees would be used for operation, maintenance, and improvements of these recreation sites. An analysis of nearby developed recreation sites with similar amenities shows the proposed fees are reasonable and typical of similar sites in the area.

DATES: If approved, the new fees would be implemented no earlier than six months following the publication of this notice in the **Federal Register**.

ADDRESSES: Prescott National Forest, 344 S Cortez St., Prescott, AZ 86303.

FOR FURTHER INFORMATION CONTACT: Julie Rowe, Recreation Program Manager, 928–856–2687 or julie.rowe@usda.gov.

SUPPLEMENTARY INFORMATION: The Federal Recreation Lands Enhancement Act (Title VII, Pub. L. 108–447) directed the Secretary of Agriculture to publish a six-month advance notice in the **Federal Register** whenever new recreation fee areas are established. The fees are only proposed at this time and will be determined upon further analysis and public comment. Reasonable fees, paid by users of these sites, will help ensure that the Forest can continue maintaining and improving recreation sites like this for future generations.

This proposal includes new fees at two recreation rentals: Mingus Mountain and Palace Station Cabin for \$100 per night. In addition, this proposal would implement a \$75 per night for a group size of 50 people at Mingus Mountain Group Campground.
