SUPPLEMENTARY INFORMATION: Under the PRA (44 U.S.C. 3501 *et seq.*), Federal agencies must obtain approval from the OMB for each collection of information that they conduct or sponsor.

"Collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) to include agency requests or requirements that members of the public submit reports, keep records, and/or provide information to a third party. Section 3506(c)(2)(A) of title 44 generally requires Federal agencies to provide a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, the OCC is publishing notice of the proposed collection of information set forth in this document.

The OCC is proposing to extend OMB approval of the following information collection:

Title: Assessment of Fees.

OMB Control No.: 1557-0223.

Affected Public: Business or other for-profit.

Type of Review: Regular review.

Abstract: The OCC is requesting comment on its proposed extension, without change, of the information collection titled, "Assessment of Fees." The OCC is authorized by the National Bank Act (for national banks and Federal branches and agencies) and the Home Owners Loan Act (for Federal savings associations) to collect assessments, fees, and other charges as necessary or appropriate to carry out the responsibilities of the OCC. 12 U.S.C. 16, 481, 482 and 1467. The OCC requires independent credit card national banks and independent credit card Federal savings associations (collectively, independent credit card institutions) to pay an additional assessment based on receivables attributable to accounts owned by the national bank or Federal savings association. 12 CFR 8.2(c). Independent credit card institutions are national banks or Federal savings associations that engage primarily in credit card operations and are not affiliated with a full-service national bank or full-service Federal savings association. 12 CFR 8.2(c)(3)(vi) and (vii). Under 12 CFR 8.2(c)(2), the OCC also has the authority to assess an independent credit card institution that is affiliated with a full-service national bank or full-service Federal savings association if the OCC concludes that the affiliation is intended to evade the requirements of 12 CFR part 8.

The OCC requires independent credit card institutions to report receivables attributable data to the OCC semiannually or at a time specified by the OCC. 12 CFR 8.2(c)(4). "Receivables attributable" are the total amount of outstanding balances due on credit card accounts owned by independent credit card institutions (the receivables attributable to those accounts) on the last day of an assessment period minus receivables retained on the national bank or Federal savings association's balance sheet as of that day. 12 CFR 8.2(c)(3)(viii). The OCC uses the information to calculate the assessment for each national bank and Federal savings association and adjust the assessment rate for independent credit card institutions over time.

Estimated Number of Respondents: 7.
Estimated Total Annual Burden: 14 hours.

Comments submitted in response to this notice will be summarized and included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on:

(a) Whether the collection of information is necessary for the proper performance of the functions of the OCC, including whether the information has practical utility;

(b) The accuracy of the OCC's estimate of the information collection burden;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected;

(d) Ways to minimize the burden of the collection on respondents, including through the use of automated collection techniques or other forms of information technology; and

(e) Estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.

Assistant Director, Bank Advisory, Office of the Comptroller of the Currency.
