#### **II. Background**

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC is requesting public comment on its intention to request the OMB's approval for the information collection summarized below.

1. *The title of the information collection:* NRC Form 314 Certificate of Disposition of Materials.

2. OMB approval number: 3150–0028.

3. *Type of submission:* Extension.

4. *The form number, if applicable:* Form 314.

5. *How often the collection is required or requested:* Form is required when NRC licensees wish to terminate their license.

6. Who will be required or asked to respond: Respondents are firms, institutions, and individuals holding NRC license to possess and use radioactive materials who do not wish to renew those licenses.

7. The estimated number of annual responses: 110.

8. The estimated number of annual respondents: 110.

9. The estimated number of hours needed annually to comply with the information collection requirement or request: Each form requires approximately 0.5 hours to prepare. 110  $\times$  0.5 hour = a total for all respondents of 55 hours per year.

10. *Abstract:* NRC Form 314 is submitted by a materials licensee who wishes to terminate its license. The form provides information needed by NRC to determine whether the licensee has radioactive materials on hand which must be transferred or otherwise disposed of prior to expiration or termination of the license.

#### **III. Specific Requests for Comments**

The NRC is seeking comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility? Please explain your answer.

2. Is the estimate of the burden of the information collection accurate? Please explain your answer.

3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?

4. How can the burden of the information collection on respondents be minimized, including the use of automated collection techniques or other forms of information technology?

Dated: August 9, 2022.
