DATES: Comments and requests for a public meeting must be received by November 15, 2022.

Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to

access telecommunications relay services. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States.

SUPPLEMENTARY INFORMATION: The BOP has filed an application requesting the extension of the withdrawal and reservation of 70 acres established by PLO No. 6493 (48 FR 56227), as extended by PLO No. 7474 (65 FR 80907), which are incorporated herein by reference. The BOP has requested that the withdrawal be extended for an additional 20-year term and the land reserved for use by the BOP for support facilities at the Federal Correctional Institution-Phoenix, subject to valid existing rights.

No water rights would be needed to fulfill the purpose of this withdrawal extension.

Notice is hereby given that comments or request for an opportunity for a public meeting is afforded in connection with this withdrawal extension. All interested persons who desire a public meeting for the purpose of being heard on the requested withdrawal extension must submit a written request to the State Director, BLM Arizona State Office at the address in the **ADDRESSES** section no later than November 15, 2022. If the BLM authorized officer determines that a public meeting will be held, a notice of the date, time, and place will be published in the **Federal Register** and a local newspaper at least 30 days before the scheduled date of the meeting.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment, including your personal identifying information, may be made publicly available at any time. While you can ask BLM in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

A decision of the Secretary of the Interior to extend a withdrawal as requested is subject to compliance with the National Environmental Policy Act (NEPA). The BLM established a categorical exclusion (CX), developed pursuant to NEPA, and found at 516 Departmental Manual 11.9(E)(1), that addresses extensions such as the one requested, which consists merely of an extension of time, without any other changes. The BLM anticipates reliance on the referenced CX, subject to extraordinary circumstances review,

should the Secretary elect to extend the withdrawal, and anticipates that neither preparation of an environmental impact statement nor an environmental assessment will be necessary.

This application will be processed in accordance with the regulations at 43 CFR 2310.4.

Non-Federal Lands

San Bernardino Meridian, California

- T. 3 N., R. 1 E.,
 Sec. 13, SW $\frac{1}{4}$;
 Sec. 14, NE $\frac{1}{4}$ SE $\frac{1}{4}$ and S $\frac{1}{2}$ SE $\frac{1}{4}$.

The area described aggregates 280 acres in San Bernardino County.

The use of a rights-of-way, interagency, or cooperative agreement would not adequately constrain non-discretionary uses that may result in disturbance of the lands embraced within the San Bernardino National Forest.

There are no suitable alternative sites as the described lands contain the resource values to be protected.

No additional water rights will be needed to fulfill the purpose of the requested withdrawal.

For a period until November 15, 2022, all persons who wish to submit comments, suggestions, objections, or request a public meeting in connection with the proposed withdrawal may present their views in writing to the BLM State Director at the address indicated above.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. Individuals that submit written comments may request confidentiality by asking us in your comment to withhold your personal identifying information from public review; however, we cannot guarantee that we will be able to do so.

Notice is hereby given that the opportunity for a public meeting is afforded in connection with the withdrawal application. All interested parties who desire a public meeting for the purpose of being heard on the withdrawal application must submit a written request to the Bureau of Land Management California State Director at the address indicated above by November 15, 2022. If the Authorized Officer determines that the BLM will hold a public meeting, the BLM will publish a notice of the time and place in the **Federal Register** and a local newspaper at least 30 days before the scheduled date of the meeting.

For a period until August 17, 2024, subject to valid existing rights, the National Forest System lands described in this notice will be segregated from location and entry under the United States mining laws, but not from leasing under the mineral or geothermal leasing laws or disposal under the Mineral Materials Act of 1947, while the withdrawal application is being processed, unless the application is denied, canceled, or the withdrawal is approved prior to that date. Publication of this notice shall also serve to segregate the 280 acres of non-Federal lands described in this notice for up to two years if during this time they are acquired by the United States.

The land described in this notice would remain open to such forms of disposition allowed by law on National Forest System land. Licenses, permits, cooperative agreements, or discretionary land use authorizations of a temporary nature and that would not significantly impact the values to be protected by the requested withdrawal may be allowed

with the approval of the authorized officer of the USFS during the temporary segregation period.

The application will be processed in accordance with the regulations set forth in 43 CFR part 2300.

Karen E. Mouritsen,
California State Director.
