No associated funerary objects are present.

The human remains are Native American based on archeological, biological, and geographical evidence. Descendants of the original inhabitants of San Nicolas Island are found today among the Bands of the Payómkawichum ("Luiseño") Tribe and

the Santa Ynez Band of Chumash Mission Indians of the Santa Ynez Reservation, California.

7. In the event modifications are made in the form of a proposed contract, the appropriate regional director shall determine whether republication of the notice and/or extension of the comment period is necessary.

Factors considered in making such a determination shall include, but are not limited to, (i) the significance of the modification, and (ii) the degree of public interest which has been expressed over the course of the negotiations.
