

manufacturer's instructions for installation of the antenna, that identifies and describes the software used to create the computer model, the software tool(s) used in the modeling and the procedures applied in using the software. The statement should describe all radiating structures included in the model. It must also include a certification that the software executed normally without generating error messages or warnings.

Requires that, the first time the directional pattern of a particular model of antenna is verified using computer results, the broadcast station must submit to the Commission both the results of the computer modelling and the measurements of either a full-size or scale model of the antenna or elements thereof, demonstrating a reasonable correlation between the measurements achieved and the computer model results. Once a particular antenna model or series of elements has been verified, subsequent applicants using the same antenna model number or elements and the same modeling software may cross-reference the original submission by providing the application file number.

The revisions to the relevant rules and corresponding Form 2100, Schedule 319 (LPFM License Application) instructions listed above may potentially affect the substance, hours, and costs of completing the Schedule 319 (LPFM License Application). Therefore, this submission is being made to OMB for approval of the revised Information Collection requirements.

**SUPPLEMENTARY INFORMATION:**

#### A. Background

##### 1. Paperwork Reduction Act

Under the PRA (44 U.S.C. 3501-3520), Federal agencies must obtain approval from OMB for each collection

of information they conduct or sponsor. "Collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) to include agency collection of information from ten or more persons. Section 3506(c)(2)(A) of title 44 requires Federal agencies to provide a 60-day notice<sup>1</sup> in the **Federal Register** concerning each proposed collection of information, including each proposed extension of an existing collection of information, before submitting the collection of information to OMB for approval. FHFA's collection of information set forth in this document is titled the "Community Support Requirements" (assigned control number 2590-0005 by OMB). To comply with the PRA requirement, FHFA is publishing notice of a proposed three-year extension of this collection of information.

##### 2. Community Support Requirements

The Federal Home Loan Bank System (System) consists of eleven regional Federal Home Loan Banks (Banks) and the Office of Finance, a joint office of the Banks that issues and services their debt securities. The Banks are wholesale financial institutions, organized under authority of the Federal Home Loan Bank Act (Bank Act) to serve the public interest by enhancing the availability of residential housing finance and community lending credit through their member institutions and, to a limited extent, through eligible non-member "housing associates." Each Bank is structured as a regional cooperative that is owned and controlled by member financial institutions located within its district, which are also its primary customers.

Section 10(g)(1) of the Bank Act requires the Director of FHFA to promulgate regulations establishing standards of community investment or service that Bank member institutions must meet in order to maintain access to long-term advances.<sup>2,3</sup> Section 10(g)(2) of the Bank Act requires that, in establishing these community support requirements for Bank members, FHFA take into account factors such as the member's performance under the Community Reinvestment Act of 1977 (CRA)<sup>4</sup> and record of lending to first-

<sup>1</sup> Following the close of this notice's 60-day comment period, FHFA will publish a second notice with a 30-day comment period as required by 44 U.S.C. 3507(b) and 5 CFR 1320.10(a).

<sup>2</sup> 12 U.S.C. 1430(g)(1).

<sup>3</sup> For purposes of the community support requirements, a long-term advance is an advance with a term of maturity greater than one year. 12 CFR 1290.1 (definition of "long-term advance").

<sup>4</sup> See 12 U.S.C. 2901 *et seq.*

time homebuyers.<sup>5</sup> FHFA's community support regulation, which establishes standards and review criteria for determining compliance with section 10(g) of the Bank Act, is set forth at 12 CFR part 1290.

Part 1290 requires that each Bank member subject to community support review submit to FHFA biennially a completed Community Support Statement (Form 060), which contains several short questions, the answers to which are used by FHFA to assess the responding member's compliance with the statutory and regulatory community support standards.<sup>6</sup> Members are strongly encouraged to complete and submit Form 060 online, but may submit a version via email or fax if they cannot complete the submission online. In Part I of Form 060, a member that is subject to the CRA must record its most recent CRA rating and the year of that rating. Part II of Form 060 addresses a member's efforts to assist first-time homebuyers. A member may either record the number and dollar amount of mortgage loans made to first-time homebuyers in the previous or current calendar year (Part II.A), or indicate the types of programs or activities it has undertaken to assist first-time homebuyers by checking selections from a list (Part II.B), or do both. If a member has received a CRA rating of "Outstanding," it need not complete Part II. A copy of the current Form 060 and related instructions appear at the end of this Notice.

Part 1290 also establishes the circumstances under which FHFA will restrict a member's access to long-term Bank advances and to the Bank Affordable Housing Programs (AHP), Community Investment Programs (CIP), and Community Investment Cash Advance (CICA) programs for failure to meet the community support requirements.<sup>7</sup> Part 1290 permits Bank

members whose access to long-term advances has been restricted to apply directly to FHFA to remove the restriction.<sup>8</sup>

### **B. Need for and Use of the Information Collection**

FHFA uses the information collection contained in FHFA Form 060 to determine whether Bank members satisfy the statutory and regulatory community support requirements, and to ensure that, as required by statute and regulation, only Bank members that meet those requirements maintain continued access to long-term Bank advances and to the Bank AHP, CIP, and CICA programs.

The OMB control number for this information collection is 2590-0005, which is due to expire on September 30, 2023. The respondents are Bank member institutions.

### **C. Burden Estimate**

FHFA has analyzed the two facets of this information collection to estimate the hour burdens that the collection will impose upon Bank members annually over the next three years. Based on that analysis, FHFA estimates that the total annual hour burden will be 2,094 hours. The method FHFA used to determine the annual hour burden for each facet of the information collection is explained in detail below.

#### *1. Community Support Statements*

There are currently about 6,600 Bank members. With exceptions, most Bank members must submit a Community Support Statement biennially. Non-depository community development financial institution (CDFI) Bank members are exempt from filing. At the end of 2021, there were 68 non-depository CDFI Bank members. Bank members who have been Bank members for less than one year as of March 31 of the year the submission is required are also exempt from filing. The Banks have added, on average, 118 new members per year over the last three years. FHFA arrives at a total estimate of about 6,414 respondents required to file each cycle (6,600 total members minus (68 non-depository CDFI members + 118 exempt

new members biennially)). Under the Community Support biennial review cycle, members submit Community Support Statements every other year. Accordingly, FHFA estimates that the total number of respondents per year is about 3,207 (half of 6,414).

FHFA estimates that the average preparation and submission time for each Community Support Statement is 0.65 hours. The estimate for the total annual hour burden on Bank members in connection with the preparation and submission of Community Support Statements is, therefore, 2,085 hours (3,207 Statements × 0.65 hours).

#### *2. Requests To Remove a Restriction on Access to Long-Term Advances*

FHFA estimates that an annual average of 12 Bank members whose access to long-term advances and to AHP, CIP, and CICA programs has been restricted will prepare and submit requests to FHFA to remove those restrictions, and that the average preparation time for each request will be 0.75 hours. The estimate for the total annual hour burden on Bank members in connection with the preparation and submission of requests to remove a restriction on access to long-term advances is, therefore, 9 hours (12 requests × 0.75 hours).

### **D. Comment Request**

*FHFA requests written comments on the following:* (1) whether the collection of information is necessary for the proper performance of FHFA functions, including whether the information has practical utility; (2) the accuracy of FHFA's estimates of the burdens of the collection of information; (3) ways to enhance the quality, utility, and clarity of the information collected; and (4) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

## Community Support Statement (FHFA Form 060) Instructions

**Purpose:** Section 10(g) of the Federal Home Loan Bank Act [12 U.S.C. § 1430(g)] sets forth the community support requirements. Under the Federal Housing Finance Agency's (FHFA) implementing community support regulation [12 CFR part 1290], FHFA is required to take into account a Federal Home Loan Bank (Bank) member's performance under the Community Reinvestment Act of 1977 [12 U.S.C. § 2901 et seq.] (federal CRA) and its record of lending to first-time homebuyers, in determining whether to maintain the member's access to long-term Bank advances and to a Bank's Affordable Housing Program (AHP) and targeted Community Investment Cash Advances (CICA) programs. For purposes of community support review, the term "long-term advances" means advances with a term to maturity greater than one year.

**Part I. (CRA Standard):** Members subject to the federal CRA must complete this part. Provide your institution's most recent federal CRA rating and the year of the rating. Credit unions and insurance companies, which are not subject to the federal CRA, should indicate "N/A" [i.e., not applicable] in the CRA rating field on this Community Support Statement. If your institution is not a credit union or insurance company and is not subject to the federal CRA, indicate the reason for the exemption. If a member's most recent federal CRA rating is "Needs to Improve," FHFA will place the member on probation. During the probationary period, the member will retain access to long-term Bank advances and Bank AHP and CICA programs. If the member does not receive an improved federal CRA rating at its next CRA evaluation, FHFA will restrict its prospective access to long-term Bank advances and Bank AHP and CICA programs. If a member's most recent federal CRA rating is "Substantial Non-compliance," FHFA will restrict the member's prospective access to long-term Bank advances and AHP and CICA programs. The restriction will remain in effect until the member's federal CRA rating improves.

**Part II. (First-time Homebuyer Standard):** All members, *except* those with "Outstanding" federal CRA ratings, must complete this part. A member may satisfy the first-time homebuyer standard either by: demonstrating lending performance to first-time homebuyers (Section A); or demonstrating other financial support or participation in programs, products, services or investments, that directly or indirectly assists first-time homebuyers (Section B); or by a combination of both factors. If none of the information requested in this part describes your institution's activities to support first-time homebuyers, you may attach a brief description of other activities of your institution that support first-time homebuyers, or a brief explanation of any mitigating factors that adversely affect your institution's ability to assist first-time homebuyers, such as charter or operational limitations or market conditions. If a member does not demonstrate assistance to first-time homebuyers or include an explanation of mitigating factors on this Community Support Statement, FHFA will restrict the member's prospective access to long-term Bank advances and Bank AHP and CICA programs. The restriction will remain in effect until the member submits applicable information to FHFA that demonstrates the member's compliance with the first-time homebuyer standard.

**Part III. (Certification):** All members must complete this part. A senior official of your institution with authorization to provide the information in this Community Support Statement must certify that the information in this Community Support Statement and any attachments are accurate to the best of his/her knowledge. If a member submits a Community Support Statement that does not include this required certification, FHFA will restrict the member's prospective access to long-term Bank advances and Bank AHP and CICA programs.

**Assistance:** Your institution's Federal Home Loan Bank has a Community Support Program Representative that can assist you in preparing this Community Support Statement. Please contact your FHLBank's Community Support Program Representative: <https://www.fhfa.gov/PolicyProgramsResearch/Programs/AffordableHousing/Documents/FHIBanks-CSP-Representatives.pdf>
