

under the NEPA and the NHPA are independent, the regulations implementing section 106 of the NHPA, at 36 CFR 800.8(c) allow the NEPA process and documentation to substitute for various aspects of the NHPA review. This process is intended to improve efficiency, promote transparency and accountability, and support a broadened discussion of potential effects that a project could have on the human environment. During preparation of the Draft Tiered EIS USACE will ensure that the NEPA process will fully meet all NHPA obligations.

USACE invites all affected federal, state and local agencies, affected Native American Tribes, and other interested parties, and the general public to comment on the scope of this Draft Tiered EIS and to provide input into the potential significant impacts associated with the alternatives.
