Needs and Uses: The Defense Organizational Climate Survey (DEOCS) is fielded in response to Section 572 of the National Defense Authorization Act for Fiscal Year 2013. Based on the DEOCS results, commanders, leaders, and their survey administrators will develop an action plan to positively impact their organization’s leadership climate. The survey results are provided to the commander/leader and their survey

administrator. Survey responses could also be used in future analyses. The statutory and policy requirements for the DEOCS can be found in the following:
