Respondents/affected entities: The following list of North American Industry Classification System (NAICS) codes for organizations potentially affected by the information requirements covered under this ICR are:

- 445110 Supermarkets

Respondent's obligation to respond: Voluntary.

Estimated number of respondents: 805 (per year).

Frequency of response: Annual, and when desired.

Total estimated burden: 5,863 hours (per year). Burden is defined at 5 CFR 1320.03(b).

Total estimated cost: \$489,711 (per year), includes \$0 annualized capital or operation & maintenance costs.

Changes in estimates: There is an increase of 3,255 hours in the total estimated respondent burden compared with the ICR currently approved by OMB. This increase is primarily due to growth, by a factor of almost four, in the

SUPPLEMENTARY INFORMATION:

I. General Information

A. Does this action apply to me?

This action provides information that is directed to the public in general.

B. What should I consider as I prepare my comments for EPA?

1. *Submitting CBI.* Do not submit CBI information to EPA through <https://www.regulations.gov> or email. Clearly mark the part or all of the information that you claim to be CBI. For CBI information in a disk or CD-ROM that you mail to EPA, mark the outside of the disk or CD-ROM as CBI and then identify electronically within the disk or CD-ROM the specific information that is claimed as CBI. In addition to one complete version of the comment that includes information claimed as CBI, a copy of the comment that does not contain the information claimed as CBI must be submitted for inclusion in the public docket. Information so marked will not be disclosed except in accordance with procedures set forth in 40 CFR part 2.

2. *Tips for preparing your comments.* When preparing and submitting your comments, see the commenting tips at <https://www.epa.gov/dockets/commenting-epa-dockets>.

3. *Environmental justice.* EPA seeks to achieve environmental justice, the fair treatment and meaningful involvement of any group, including minority and/or low-income populations, in the development, implementation, and enforcement of environmental laws, regulations, and policies. To help address potential environmental justice issues, the Agency seeks information on any groups or segments of the population who, as a result of their location, cultural practices, or other factors, may have atypical or disproportionately high and adverse human health impacts or environmental effects from exposure to the pesticides discussed in this document, compared to the general population.

II. Applications To Register New Uses

EPA has received applications to register new uses for pesticide products containing currently registered active ingredients. Pursuant to the provisions of FIFRA section 3(c)(4), 7 U.S.C. 136a(c)(4), and 40 CFR 152.102, EPA is hereby providing notice of receipt and opportunity to comment on these applications. Notice of receipt of these applications does not imply a decision by the Agency on these applications. For actions being evaluated under EPA's public participation process for

registration actions, there will be an additional opportunity for public comment on the proposed decisions. Please see EPA's public participation website for additional information on this process (<https://www.epa.gov/registration/participation-process-registration-actions>).
