SUPPLEMENTARY INFORMATION:**I. Background**

Article 24.26 of the USMCA establishes an Environment Committee composed of senior government representatives. The Committee oversees implementation of Chapter 24, the Environment Chapter, and provides a forum to discuss and review the implementation of the Chapter. The USMCA requires the Committee to meet within one year of the date of entry into force of the USMCA and every two years thereafter unless the Committee agrees otherwise. The Committee met on June 17, 2021, and agreed to hold a second meeting in 2022. All decisions and reports of the Committee will be made publicly available, unless the Committee decides otherwise. The Committee will provide for public input on matters relevant to the Committee’s work, as appropriate, and hold a public session at each meeting.

II. Committee Meeting

On September 23, 2022, the Committee will meet in a government-to-government session to (1) review implementation of the Environment Chapter, and discuss how the Parties are meeting their Chapter obligations; and

(2) receive a presentation from the Commission on Environmental Cooperation (CEC) Secretariat on cooperation and public Submissions for Enforcement Matters (SEMs). This session will not be open to the public.

III. Public Session on Environment Chapter Implementation

Following the government-to-government session, the Committee invites all interested persons to attend a virtual public session on USMCA Environment Chapter implementation. At the session, the Committee will welcome questions, input, and information concerning implementation of the Chapter obligations. The Committee will cover questions raised in comments submitted to USTR, and through a live chat function overseen by a moderator. Prior to the meeting, details on how to access the public session will be made available on USTR’s website at <https://ustr.gov/issue-areas/environment>.
