SECURITIES AND EXCHANGE COMMISSION

Self-Regulatory Organizations; NYSE American, LLC: Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Adopt New Rules 997NY, 997.1NY, 997.2NY and 997.3NY and Delete Paragraph (d) to Rule 957NY

August 31, 2022.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act") and Rule 19b–4 thereunder, notice is hereby given that, on August 23, 2022, NYSE American, LLC ("NYSE American" or the "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II, below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to adopt new Rules 997NY, 997.1NY, 997.2NY and 997.3NY regarding certain position transfers, including off-floor transfers. The Exchange also proposes to delete paragraph (d) to Rule 957NY (Reporting Duties). The proposed rule change is available on the Exchange’s website at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this rule change is to adopt new Rules 997NY, 997.1NY, 997.2NY, and 997.3NY regarding certain position transfers, including off-floor transfers as described herein. The proposed rules are substantively identical to rules on other options exchanges and would align the Exchange’s rules with that of its competitors. This proposal would benefit investors by reducing the administrative burden of determining whether their transfers comply with multiple sets of options exchange rules. In addition, the Exchange proposes to delete paragraph (d) to Rule 957NY (Reporting Duties) for reason set forth below.

Proposed Rule 997NY: Transactions Off the Exchange

Rules 19c–1 and 19c–3 under the Securities Exchange Act of 1934 (the “Act”) describe rule provisions that each national securities change must include in its Rules regarding the ability of members to engage in transactions off an exchange. While the Exchange’s rules, stated policies, and practices are consistent with these provisions of the Act, the Exchange Rules do not currently include these provisions. Therefore, the proposed rule change adopts these provisions in new Rule 997NY, “Transactions Off the Exchange,” in accordance with Rules 19c–1 and 19c–3 under the Act.

Proposed Rule 997NY is also substantively identical to the off-floor transactions rule of another options exchange and thus would align Exchange rules with those of its competitors. Proposed Rule 997NY provides that except as otherwise provided by this proposed Rule, no ATP Holder acting as principal or agent may effect transactions in any class of option contracts listed on the Exchange for a premium in excess of $1.00 other than (1) on the Exchange, (2) on another exchange on which such option contracts are listed and traded, or (3) in the over-the-counter market if the stock underlying the option class, or in the case of an index option, if all the component stocks of an index underlying the option class, was a National Market System security under SEC Rule 600 at the time the Exchange commenced trading in that option class, unless that ATP Holder has attempted to execute the transaction on the floor of the Exchange and has reasonably ascertained that it may be executed at a better price off the floor.

Proposed Rule 997NY(b) provides that, notwithstanding the provisions of paragraph (a) of this proposed Rule, an ATP Holder acting as agent may execute a customer’s order off the Exchange floor with any other person (except when such ATP Holder also is acting as agent for such other person in such transaction) for the purchase or sale of an option contract listed on the Exchange.

Proposed Rule 997NY(c) provides that for each transaction in which an ATP Holder acting as principal or agent executes any purchase or sale of an option contract listed on the Exchange other than on the Exchange or on another exchange on which such option contracts are listed and traded, a record
