Issued on August 31, 2022.

Christina Underwood, Acting Director, Compliance & Airworthiness Division, Aircraft Certification Service.

I. Submission of Comments

Because of security precautions, the Board continues to experience delays in U.S. mail delivery. You should take this into consideration when preparing to meet the deadline for submitting comments. It is not necessary to mail comments if they have been filed electronically with regulations.gov. If you mail comments, the Board recommends that you confirm receipt of your delivered comments by contacting (202) 273–1940 (this is not a toll-free number). Individuals with hearing impairments may call 1–866–315–6572 (TTY/TDD). Because of precautions in place due to COVID–19, the Board recommends that comments be submitted electronically or by mail rather than by hand delivery. If you feel you must hand deliver comments to the Board, hand delivery will be accepted by appointment only. Please call (202) 273–1940 to arrange for hand delivery of comments. Please note that there may be a delay in the electronic posting of hand-delivered and mail comments due to the needs for safe handling and manual scanning of the comments. The Board strongly encourages electronic filing over mail or hand delivery of comments.

Only comments submitted through http://www.regulations.gov, mailed or hand delivered per the procedure described above will be accepted; ex parte communications received by the Board will be made part of the rulemaking record and will be treated as comments only insofar as appropriate. Comments will be available for public inspection at http://www.regulations.gov and during normal business hours (8:30 a.m. to 5 p.m. EST) at the above address.

As soon as practicable, the Board will post all comments received on http://www.regulations.gov. The website http://www.regulations.gov is the Federal eRulemaking portal, and all comments posted there are available and accessible to the public. The Board requests that comments include full citations or internet links to any authority relied upon. If a comment cites a source that is not publicly available, the Board requests that the commenter submit a copy of that source along with its comment.

The Board will not make any changes to the comments, including any personal information provided therein. The Board cautions commenters not to include personal information such as Social Security numbers, personal addresses, telephone numbers, and email addresses in their comments, as such submitted information will become viewable by the public via the http://www.regulations.gov website. It is a commenter’s responsibility to safeguard their information. Comments submitted through http://www.regulations.gov will
