SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the Peabody Museum of Archaeology and Ethnology, Harvard University. The National Park Service is not responsible for the determinations in this notice. Additional information on the determinations in this notice, including the results of consultation, can be found in the inventory or related records held by the Peabody Museum of Archaeology and Ethnology, Harvard University.

Description

The human remains associated with this funerary object were included in a Notice of Inventory Completion published in the **Federal Register** on August 14, 2003 (68 FR 48626-48634, August 14, 2003). Subsequently, these human remains were transferred to the Wampanoag Tribe of Gay Head (Aquinnah).

In 1891, one associated funerary object was removed from North Truro in Barnstable County, MA, during a Peabody Museum of Archaeology and Ethnology expedition led by Marshall H. Saville. The one associated funerary object is a small, likely shell-tempered ceramic sherd.

Cultural Affiliation

The associated funerary object in this notice is connected to one or more identifiable earlier groups, tribes, peoples, or cultures. There is a relationship of shared group identity between the identifiable earlier groups, tribes, peoples, or cultures and one or more Indian Tribes or Native Hawaiian organizations. The following types of information were used to reasonably trace the relationship: archeological, geographical, historical, and oral traditional.

Determinations

Pursuant to NAGPRA and its implementing regulations, and after consultation with the appropriate Indian Tribes and Native Hawaiian organizations, the Peabody Museum of Archaeology and Ethnology, Harvard University has determined that:

- The one object described in this notice is reasonably believed to have been placed with or near individual

human remains at the time of death or later as part of the death rite or ceremony.

- There is a relationship of shared group identity that can be reasonably traced between the associated funerary object described in this notice and the Mashpee Wampanoag Tribe (*previously* listed as Mashpee Wampanoag Indian Tribal Council, Inc.) and the Wampanoag Tribe of Gay Head (Aquinnah), who are the present-day Indian Tribes that represent people of Wampanoag descent.

Requests for Repatriation

Written requests for repatriation of the associated funerary object in this notice must be sent to the Responsible Official identified in **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the associated funerary object in this notice to a requestor may occur on or after October 12, 2022. If competing requests for repatriation are received, the Peabody Museum of Archaeology and Ethnology, Harvard University, must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the associated funerary object are considered a single request and not competing requests. The Peabody Museum of Archaeology and Ethnology is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.9, § 10.10, and § 10.14.

Dated: August 31, 2022.

Agency Information Collection Activities; United States Park Police Pre-Employment Suitability Determination Process

AGENCY: National Park Service, Interior.

ACTION: Notice of information collection; request for comment.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, we, the National Park Service (NPS) are proposing to renew an information collection.

DATES: Interested persons are invited to submit comments on or before November 14, 2022.

ADDRESSES: Please provide a copy of your comments to the NPS Information Collection Clearance Officer (ADIR-ICCO), 12201 Sunrise Valley Drive, (MS-242) Reston, VA 20191 (mail); or phadrea_ponds@nps.gov (email). Please reference OMB Control Number 1024-0245 in the subject line of your comments.

FOR FURTHER INFORMATION CONTACT: To request additional information about this ICR, contact Captain Scott H. Brecht, 1100 Ohio Dr. SW, Washington, DC 20242; or by email at scott_brecht@nps.gov; or by telephone at 202-610-7088. Please reference OMB Control Number 1024-0245 in the subject line of your comments. Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services. Individuals outside the United States should use the relay services offered within their country to make international calls to the point of contact in the United States. You may also view the ICR at <http://www.reginfo.gov/public/do/PRAMain>.

SUPPLEMENTARY INFORMATION: In accordance with the Paperwork Reduction Act of 1995, we provide the general public and other Federal agencies with an opportunity to comment on new, proposed, revised, and continuing collections of information. This helps us assess the impact of our information collection requirements and minimize the public's reporting burden. It also helps the public understand our information collection requirements and provide the requested data in the desired format.

We are soliciting comments on the proposed ICR that is described below. We are especially interested in public comment addressing the following issues: (1) is the collection necessary to the proper functions of the NPS; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the NPS enhance the quality, utility, and clarity of the information to be collected; and (5) how might the NPS minimize the burden of this collection on the respondents, including through the use of information technology.

Comments that you submit in response to this notice are a matter of public record. We will include or summarize each comment in our request to OMB to approve this ICR. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Abstract: The United States Park Police (USPP) is authorized by Title 5, Code of Federal Regulations, Section 5.2, “Investigation and evaluations,” to collect this information as required in the USPP Pre-employment Suitability Process. All USPP candidates are required to complete and pass competitive written examinations, oral interviews, medical examinations, psychological evaluations, and a battery of physical fitness and agility tests. The following forms are used to collect information:

Form 10–2201, “Personal Qualifications Statement”—provides information on the personal history of the candidate.

Form 10–2201A, “Information Release Form”—authorizes the release of all personal and confidential records, including medical records concerning physical and mental health.

Form 10–2201B, “Release to Obtain a Credit Report”—authorizes the release of information from consumer reporting agencies.

Form 10–2201C, “Lautenberg Certification”—requires information and certification by the applicant regarding a conviction of a misdemeanor crime of domestic violence.

Form 10–2201D, “Physical Efficiency Battery (PEB) Waiver”—requires the candidate to provide information regarding medical conditions which

may impede their ability to meet the minimum efficiency score on the Physical Efficiency Battery (PEB).

Form 10–2201E, “Physician Consent Form”—requires physician certification for the candidate to participate in the PEB.

Form 10–2201F, “Applicant Documentation Form”—required to be completed by the applicant when declining or deferring employment with the USPP.

Title of Collection: United States Park Police Pre-Employment Suitability Determination Process.

OMB Control Number: 1024–0245.

Form Numbers: NPS Forms 10–2201, 10–2201A through 10–2201F.

Type of Review: Extension of a currently approved collection.

Respondents/Affected Public: Candidates for employment as a United States Park Police Officer.

Respondent’s Obligation: Required to obtain or retain a benefit.

Frequency of Collection: On occasion.

Total Estimated Annual Nonhour

Burden Cost: \$238,752 (printing, notarizing, and providing supporting documentation).

An agency may not conduct or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

The authority for this action is the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).

SUPPLEMENTARY INFORMATION: In accordance with the Paperwork Reduction Act of 1995, (PRA, 44 U.S.C. 3501 *et seq.*) and 5 CFR 1320.8(d)(1), all information collections require approval under the PRA.

As part of our continuing effort to reduce paperwork and respondent burdens, we invite the public and other Federal agencies to comment on new, proposed, revised, and continuing collections of information. This helps us assess the impact of our information collection requirements and minimize the public’s reporting burden. It also helps the public understand our information collection requirements and provide the requested data in the desired format.

We are especially interested in public comment addressing the following:

(1) Whether or not the collection of information is necessary for the proper performance of the functions of the agency, including whether or not the information will have practical utility.

(2) The accuracy of our estimate of the burden for this collection of information, including the validity of the methodology and assumptions used.

(3) Ways to enhance the quality, utility, and clarity of the information to be collected.

(4) How might the agency minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological
