FOR FURTHER INFORMATION CONTACT: For information regarding the regulations for the use of irradiation as a phytosanitary treatment of imported fruits and vegetables, contact Mr. David Begley, National Policy Manager for Treatments, PPQ, APHIS, 4700 River Road, Room 4D-04B, Riverdale, MD 20737; (470) 426-2412; david.begley@usda.gov. For information on the information collection reporting process, contact Mr. Joseph Moxey, APHIS' Paperwork Reduction Act Coordinator, at (301) 851-2483; joseph.moxey@usda.gov.

SUPPLEMENTARY INFORMATION:

Title: Irradiation Phytosanitary Treatment of Imported Fruits and Vegetables.

OMB Control Number: 0579-0155.

Type of Request: Revision to and extension of approval of an information collection.

Abstract: Under the Plant Protection Act (7 U.S.C. 7701 *et seq.*), the Animal and Plant Health Inspection Service (APHIS) of the United States Department of Agriculture is authorized, among other things, to regulate the importation of plants, plant products (including fruits and vegetables), and other articles to prevent the introduction of plant pests, diseases, and noxious weeds into the United States.

Regulations governing the importation of fruits and vegetables are set out in 7 CFR part 319. In accordance with the regulations, some fruits and vegetables from certain regions of the world must be treated for insect pests in order to be eligible for entry into the United States.

The regulations in 7 CFR part 305, among other things, provide for the use of irradiation as a phytosanitary treatment for some fruits and vegetables imported into the United States. Irradiation provides protection against all insect pests, including fruit flies, the mango seed weevil, and others. Irradiation treatment may be used as an alternative to other approved treatments for pests in fruits and vegetables, such as fumigation, cold treatment, heat treatment, and other techniques.

The regulations concerning irradiation involve the collection of information, such as a compliance

agreement, operational work plans (cooperative agreements), dosimetry agreement at the irradiation facility, request for dosimetry device approval, 30-day notification, labeling and packaging, recordkeeping, request for certification and inspection of facility, irradiation treatment workplan, facility preclearance workplan, trust fund agreement, phytosanitary certificate, and denial and withdrawal of certification.

We are asking the Office of Management and Budget (OMB) to approve our use of these information collection activities, as described, for an additional 3 years.

The purpose of this notice is to solicit comments from the public (as well as affected agencies) concerning our information collection. These comments will help us:

(1) Evaluate whether the collection of information is necessary for the proper performance of the functions of the Agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of our estimate of the burden of the collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, through use, as appropriate, of automated, electronic, mechanical, and other collection technologies; *e.g.*, permitting electronic submission of responses.

Estimate of burden: The public burden for this collection of information is estimated to average 0.001 hours per response.

Respondents: National plant protection organizations of exporting countries, irradiation facility operators, and U.S. importers of fruits and vegetables.

Estimated annual number of respondents: 86.

Estimated annual number of responses per respondent: 71,334.

Estimated annual number of responses: 6,134,715.

Estimated total annual burden on respondents: 6,902 hours. (Due to averaging, the total annual burden hours may not equal the product of the annual number of responses multiplied by the reporting burden per response.)

All responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.

Done in Washington, DC, this 14th day of September 2022.

Anthony Shea,

Administrator, Animal and Plant Health Inspection Service.

BILLING CODE 3410-34-P

DEPARTMENT OF AGRICULTURE

Food Safety and Inspection Service

[Docket No. FSIS-2022-0023]

Notice of Request To Renew an Approved Information Collection: Modernization of Swine Slaughter Inspection

AGENCY: Food Safety and Inspection Service, Department of Agriculture (USDA).

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 and Office of Management and Budget (OMB) regulations, the Food Safety and Inspection Service (FSIS) is announcing its intention to renew the approved information collection regarding swine slaughter inspection. The approval for this information collection will expire on January 31, 2023. FSIS is making no changes to the information collection.

DATES: Submit comments on or before November 18, 2022.

ADDRESSES: FSIS invites interested persons to submit comments on this **Federal Register** notice. Comments may be submitted by one of the following methods:

- *Federal eRulemaking Portal:* This website provides commenters the ability to type short comments directly into the comment field on the web page or to attach a file for lengthier comments. Go to <https://www.regulations.gov>. Follow the on-line instructions at that site for submitting comments.

- *Mail:* Send to Docket Clerk, U.S. Department of Agriculture, Food Safety and Inspection Service, 1400 Independence Avenue SW, Mailstop 3758, Washington, DC 20250-3700.

- *Hand- or Courier-Delivered Submittals:* Deliver to 1400 Independence Avenue SW, Washington, DC 20250-3700.

Instructions: All items submitted by mail or electronic mail must include the Agency name and docket number FSIS-2022-0023. Comments received in response to this docket will be made available for public inspection and posted without change, including any personal information, to <https://www.regulations.gov>.

Docket: For access to background documents or comments received, call (202) 205-0495 to schedule a time to visit the FSIS Docket Room at 1400 Independence Avenue SW, Washington, DC 20250-3700.

FOR FURTHER INFORMATION CONTACT: Gina Kouba, Office of Policy and Program Development, Food Safety and Inspection Service, USDA, 1400 Independence Avenue SW, Mailstop 3758, South Building, Washington, DC 20250-3700; (202) 720-5627.

SUPPLEMENTARY INFORMATION:

Title: Modernization of Swine Slaughter Inspection.

OMB Number: 0583-0171.

Type of Request: Request to renew an approved information collection.

Abstract: FSIS has been delegated the authority to exercise the functions of the Secretary (7 CFR 2.18, 2.53), as specified in the Federal Meat Inspection Act (FMIA) (21 U.S.C. 601, *et seq.*). This statute mandates that FSIS protect the public by verifying that meat products are safe, wholesome, unadulterated, and properly labeled and packaged.

FSIS is requesting a renewal of the approved information collection regarding swine slaughter inspection. The approval for this information collection will expire on January 31, 2023. FSIS is making no changes to the information collection.

FSIS requires that all swine slaughter establishments operating under the New Swine Slaughter Inspection System (NSIS) monitor their systems through microbial testing and recordkeeping. Swine slaughter establishments operating under NSIS must also maintain records to document the total number of animals and carcasses sorted and removed per day and the reasons for their removal. Swine Slaughter establishments may record their disposition data on FSIS Form 6200-3, Establishment Sorting Record, or provide the same information as requested on the form electronically if it is submitted in a format approved by FSIS.

FSIS also requires that each establishment operating under the NSIS submit on an annual basis an attestation to the management member of the local FSIS circuit safety committee stating that it maintains a program to monitor and document any work-related conditions of establishment workers.

FSIS has made the following estimates based upon an information collection assessment:

Estimate of burden: The public reporting burden for this collection of information is estimated to average .048 hours per response.

Estimated total number of respondents: 84.

Estimated annual number of responses: 91,078.

Estimated total annual burden on respondents: 4,348 hours.

All responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record. Copies of this information collection assessment can be obtained from Gina Kouba, Office of Policy and Program Development, Food Safety and Inspection Service, USDA, 1400 Independence Avenue SW, Mailstop 3758, South Building, Washington, DC 20250-3700; (202) 720-5627.

Comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of FSIS' functions, including whether the information will have practical utility; (b) the accuracy of FSIS' estimate of the burden of the proposed collection of information, including the validity of the method and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques, or other forms of information technology. Comments may be sent to both FSIS, at the addresses provided above, and the Desk Officer for Agriculture, Office of Information and Regulatory Affairs, Office of Management and Budget (OMB), Washington, DC 20253.

Additional Public Notification

Public awareness of all segments of rulemaking and policy development is important. Consequently, FSIS will announce this **Federal Register** publication on-line through the FSIS web page located at: <https://www.fsis.usda.gov/federal-register>.

FSIS will also announce and provide a link to this **Federal Register** publication through the FSIS Constituent Update, which is used to provide information regarding FSIS policies, procedures, regulations, **Federal Register** notices, FSIS public meetings, and other types of information that could affect or would be of interest to our constituents and stakeholders. The Constituent Update is available on the FSIS web page. Through the web page, FSIS can provide information to a much broader, more diverse audience. In addition, FSIS offers an email subscription service which provides automatic and customized access to selected food safety news and

information. This service is available at: <https://www.fsis.usda.gov/subscribe>. Options range from recalls to export information, regulations, directives, and notices. Customers can add or delete subscriptions themselves and have the option to password protect their accounts.

USDA Non-Discrimination Statement

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, gender identity (including gender expression), sexual orientation, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity, in any program or activity conducted or funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary by program or incident.

Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotape, American Sign Language, etc.) should contact the responsible Agency or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program discrimination complaint, complete the USDA Program Discrimination Complaint Form, AD-3027, found online at <https://www.usda.gov/oascr/how-to-file-a-program-discrimination-complaint> and at any USDA office or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992.

Submit your completed form or letter to USDA by: (1) mail: U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue SW, Washington, DC 20250-9410; (2) fax: (202) 690-7442; or (3) email: program.intake@usda.gov. USDA is an equal opportunity provider, employer, and lender.

Paul Kiecker,
Administrator.
