SUPPLEMENTARY INFORMATION:

Information Collection Request Title: COVID–19 Provider Relief Fund (PRF) Reporting Activities OMB No. 0906–0068—Revision.

Abstract: HRSA disburses the PRF and American Rescue Plan (ARP) Rural payments to eligible health care providers to support health care-related expenses or lost revenues attributable to the COVID–19 pandemic. Providers who have attested to the Terms and Conditions regarding their PRF and ARP Rural payment(s), including the requirement that the provider “shall submit reports as the Secretary determines are needed to ensure compliance with conditions that are imposed on this Payment, and such reports shall be in such form, with such content, as specified by the Secretary in future program instructions directed to all Recipients,” will be using the PRF Reporting Portal to submit information about their use of PRF and ARP Rural payments. In anticipation of the approved OMB form (control number 0906–0068) expiring on January 31, 2023, HRSA is undergoing the revision of the ICR approval to include the ARP Rural reporting requirements and to allow for data collection beyond the January 31, 2023 expiration.

A 60-day notice published in the **Federal Register**, 87, FR pp. 20441 (April 7, 2022). There was one request for program information.

Need and Proposed Use of the Information: Recipients of a PRF and

ARP Rural payment agreed to a set of Terms & Conditions (T&Cs), which, among other requirements, mandate compliance with certain reporting requirements that will facilitate appropriate oversight of recipients’ use of funds.

Information collected will allow for (1) assessing whether recipients have met statutory and programmatic requirements, (2) conducting audits, (3) gathering data required to report on findings with respect to the disbursements of PRF and ARP Rural payments, and (4) program evaluation. HRSA staff will also use information collected to identify and report on trends in health care metrics and expenditures before and during the allowable period for expending PRF and ARP Rural payments.

Included in this revision are the following:

- A new funding source is now included in the data collection form (the American Rescue Plan Act of 2021 (Pub. L. 117–2) (ARP Rural))
- Additional reporting periods are added for reporting entities to report on use of funds (Reporting Period 5, 6, and 7)
- Updated burden estimates to include ARP Rural payment reporting in Reporting Period 4
- Updated burden estimates to reflect the number of reporting entities and additional reporting periods
- Adjusted burden estimates for providers who have additional reporting requirements

Likely Respondents: PRF and ARP Rural payment recipients who have received more than \$10,000 in aggregate PRF and ARP Rural payments during one of the Payment Received Periods outlined below and that agreed to the associated T&Cs are required to submit a report in the PRF Reporting Portal during the applicable Reporting Time Period.
