Abstract: The BIA owns, operates, and maintains three electric power utilities that provide a service to the end user, pursuant to 25 CFR 175 (Indian Electric Power Utilities). The BIA must collect customer information to identify the individual responsible for repaying the government its costs for delivering the service and bill for those costs. The BIA must also collect information to identify the location of the service delivery (*i.e.*, electrical hook-up). In addition, the Debt Collection Improvement Act of 1996 (DCIA), 31 U.S.C. 3701-3733 requires that certain information be collected from individuals and businesses doing business with the government. This information includes the taxpayer identification number for possible future use to recover delinquent debt.

Proposed Revisions to This Information Collection

BIA proposes to revise the “Electric Service Application” form to expand electronic access and improve customer experience and delivery. The revised form introduces an opt-in checkbox for paperless billing and a new field for email address. The revised form also proposes clarifying text regarding the option for a letter from medical services provider. Customers that need essential medical equipment in their home to sustain life should obtain a letter from their medical services provider and contact respective utility. A letter on file from customer's medical services provider does not guarantee customer's service will not be disconnected for unpaid electric bills. Accounts with a letter on file from customer's medical services provider are subject to the same bill payment terms as other accounts.

Dena Wynn, Office of General Counsel
at the National Indian Gaming
Commission, 202–632–7003, or by

numbers).

SUPPLEMENTARY INFORMATION: The
Indian Gaming Regulatory Act (IGRA)
25 U.S.C. 2701 *et seq.*, established the
National Indian Gaming Commission
(Commission). Section 2710 of IGRA
authorizes the Chairman of the
Commission to approve Class II and
Class III tribal gaming ordinances.
Section 2710(d)(2)(B) of IGRA, as
implemented by NIGC regulations, 25

CFR 522.8, requires the Chairman to
publish, in the **Federal Register**,
approved Class III tribal gaming
ordinances and the approvals thereof.

IGRA requires all tribal gaming
ordinances to contain the same
requirements concerning tribes' sole
proprietary interest and responsibility
for the gaming activity, use of net
revenues, annual audits, health and
safety, background investigations and
licensing of key employees and primary
management officials. The Commission,
therefore, believes that publication of
each ordinance in the **Federal Register**
would be redundant and result in
unnecessary cost to the Commission.

Thus, the Commission believes that
publishing a notice of approved Class III
tribal gaming ordinances in the **Federal
Register** is sufficient to meet the
requirements of 25 U.S.C. 2710(d)(2)(B).
Every ordinance and approval thereof is

(www.nigc.gov) under General Counsel,
Gaming Ordinances within five (5)

Re: Saint Regis Mohawk Tribal Gaming
Ordinance amendments, Resolution 2022–
14

Dear Chiefs Cook, Connors, and LaFrance:

This letter responds to your request dated
May 3, 2022, on behalf of the Saint Regis
Mohawk Tribe for the National Indian
Gaming Commission Chairman to review and
approve amendments to the Tribe's gaming
ordinance. Resolution 2022–14 replaces the
Tribe's current gaming ordinance, TCR 1993–
102, with a wholly revised and updated
version. This newly amended ordinance
reflects recent amendments to NIGC
background and licensing provisions, the

Tribe's intent to allow only tribally owned
gaming on its lands, and other updates
deemed necessary by the Tribe in the twenty
years since the last amendment.

The amendments are consistent with the
requirements of the Indian Gaming
Regulatory Act and NIGC regulations and are
hereby approved. If you have any questions
concerning this letter or the ordinance review
process, please contact Jennifer Lawson at
jennifer_lawson@nigc.gov.

Sincerely,

E. Sequoyah Simermeyer Chairman.
