SUPPLEMENTARY INFORMATION: Under its Surety Bond Guarantee Program (SBG Program), the U.S. Small Business Administration is authorized to guarantee a bid bond, payment bond, performance bond, as well as any required related ancillary bonds, on a contract issued to a small business contractor up to \$6.5 million or up to \$10 million if a Federal contracting officer certifies that SBA's guarantee is necessary. See Title IV of the Small Business Investment Act (SBIA), Part B, 15 U.S.C. 694a *et seq.* The SBG Program was created to encourage surety companies to issue bonds for small business contractors. The SBIA authorizes SBA to establish the terms and conditions for providing surety bond guarantee assistance and for paying claims resulting from any contractor defaults. This information collection consists of forms relating to the application process for an SBA-guaranteed bond and claims for the reimbursement of losses, including SBA Forms 990, 991, 994, 994B, 994F, and 994H. Except in the case of SBA Form 994H, SBA uses the information to evaluate whether the small business applicant meets the eligibility requirements for a surety bond, as well as the likelihood that the small business will successfully complete the bonded contract. The information collected for this purpose includes: demographics on all owners of the bond applicant, which has no bearing on the credit decision; the status of any current or past SBA financial assistance provided to the applicant; NAICS code for applicant's industry; financial statements; contract amount and nature of contract performance; and in the event performance has begun, evidence that applicant has paid all suppliers and subcontractors. With respect to SBA Form 994H, SBA uses the information collected to evaluate the surety's claim for reimbursement of losses. Surety is required to provide information regarding the date the small business defaulted on the contract; the reason for the default, the amount of any recoveries, and any additional information that would support the surety's claim for reimbursement.

SOCIAL SECURITY ADMINISTRATION

[Docket No. SSA-2022-0048]

Charging Standard Administrative Fees for Non-Program Information

AGENCY: Social Security Administration.

ACTION: Notice of updated schedule of standard administrative fees.

SUMMARY: On August 22, 2012, we announced in the **Federal Register** a schedule of standard administrative fees we charge to the public. When authorized, we charge these fees to recover our full costs when we provide information and related services for non-program purposes. We are announcing an update to the previously published schedule of standard administrative fees. The updated standard fee schedule is part of our continued effort to standardize fees for non-program information requests. Standard fees provide consistency and ensure we recover the full cost of supplying information when we receive a request for a purpose not directly related to the administration of a program under the Social Security Act (Act).

DATES: The changes described above are applicable for requests we receive on or after October 1, 2022.

FOR FURTHER INFORMATION CONTACT:
