Rural Housing Service

Title: Form RD 410–8, Application Reference Letter (A Request for Credit Reference).

OMB Control Number: 0575–0091.

Summary of Collection: The Rural Housing Service (RHS), under section 502 of Title V of the Housing Act of 1949, as amended, provides financial assistance to construct, improve, alter, repair, replace, or rehabilitate dwellings, which will provide modest, decent, safe, and sanitary housing to eligible individuals in rural areas. To receive a loan or grant, applicants must provide the Agency with a standard housing application (used by government and private lenders), and provide documentation, including their credit history, to support the same.

Need and Use of the Information: Form RD 410–8, ''Applicant Reference Letter'' is used by the Agency to obtain information about an applicant's credit history that does not appear on a credit report. The form can be used to document the applicant's ability to handle credit effectively in cases where an applicant has used nontraditional sources of credit which do not appear on a credit report. It also provides a mechanism for verifying repayment history for debts reported by the applicant on the loan application that do not appear on the credit report. This form asks only for specific, relevant information to determine the applicant's creditworthiness and to establish the applicant's history of prompt payments on debts. This information enables RHS to make better creditworthiness decisions.
