SUPPLEMENTARY INFORMATION:

Table of Contents

- I. Authority to Grant Waivers
- II. Public Law 115-56 and 115-123 Waivers and Alternative Requirements

I. Authority To Grant Waivers

Each of the appropriations acts cited in the Table of Contents authorize the Secretary to waive, or specify alternative requirements for, any provision of any statute or regulation that the Secretary administers in connection with the obligation by the Secretary or use by the recipient of grant funds, except for requirements related to fair housing, nondiscrimination, labor standards, and the environment. HUD may also exercise its regulatory waiver authority under 24 CFR 5.110, 91.600, and 570.5.

All waivers and alternative requirements authorized in this notice are based upon a determination by the Secretary that good cause exists, and that the waiver or alternative requirement is not inconsistent with the overall purposes of title I of the Housing and Community Development Act of 1974 (42 U.S.C. 5301 *et seq.*) (HCDA). The good cause for each waiver and

alternative requirement is summarized in this notice.

II. Public Law 115-56 and 115-123 Waivers and Alternative Requirements

II.A. Waiver and Alternative Requirements Related to Tourism Marketing (U.S. Virgin Islands Only)

On August 14, 2018, HUD published a **Federal Register** notice (the "August 2018 Notice") that granted the U.S. Virgin Islands ("USVI") a waiver and alternative requirements related to tourism and marketing activities (83 FR 40314, 40322). USVI submitted a request to continue the tourism and marketing activities described in these previously granted waiver and alternative requirements until December 15, 2022. The previously granted waiver and alternative requirements expired May 19, 2022. Based on the good cause summarized below, HUD is granting the waiver and alternative requirements described in this section of this notice until December 15, 2022.

The cap on the activity costs remains unchanged. The grantee can expend no more than \$25,000,000 total on tourism and marketing activities authorized by this and previous waivers and alternative requirements.

In section IV.D.16. of the August 2018 Notice, the Department granted the USVI a waiver of 42 U.S.C. 5305(a) to the extent necessary to create a new eligible activity and use up to \$5,000,000 of CDBG-DR funds to promote travel to disaster-impacted areas, which at the time was the amount included in the USVI's action plan and substantial amendments submitted to and approved by HUD. In section IV.5. of the **Federal Register** notice published on February 19, 2019 (84 FR 4836, 4845) (the "February 2019 Notice"), the Department amended this waiver and alternative requirement to authorize the use of an additional \$20,000,000 of the USVI's CDBG-DR funds for tourism and marketing activities. HUD required the waiver and alternative requirements to expire two years after the USVI's first draw of its CDBG-DR funds allocated in the **Federal Register** notice published on February 9, 2018. In section IV.C. of the **Federal Register** notice published on January 6, 2021 (86 FR 569, 575), HUD extended the waiver and alternative requirements, in accordance
