SUPPLEMENTARY INFORMATION:

Description: The proposed collection is a continuation of the current collection and comprised of two components: An application including a strategic plan and annual self-assessment. The self-assessment reflects what the state has done in the prior year focusing on its progress and status within the change management cycle. The strategic plan looks forward to those interventions and actions the state plans to undertake to address needs or buttress strengths they have discovered in their assessment activities. Additions from the prior approval include infrastructural questions around the Child and Family Services Reviews regarding efforts to engage legal and judicial staff and collaborate with the child welfare agency. They also include overall court structural questions which are responsive to requests from grantees to facilitate peer connections of similarly situated states. The next application will be due June 30, 2023.

Respondents: We anticipate the highest state court of every state, the District of Columbia, Puerto Rico, and the U.S. Virgin Islands to respond. All 53 jurisdictions currently participate in the program.

Administration for Children and Families

Submission for OMB Review; Office of Community Services (OCS) Community Economic Development (CED) Standard Reporting Format (Office of Management and Budget); (OMB) #0970-0386)

AGENCY: Office of Community Services (OCS), Administration for Children and

Families (ACF), U.S. Department of Health and Human Services (HHS).

ACTION: Request for public comments.

SUMMARY: OCS is requesting a three-year extension of the semi-annual reporting format for CED grant recipients, the Performance Progress Report (PPR), which collects information regarding the outcomes and management of CED projects (OMB #0970-0386, expiration February 28, 2023). There are minor changes requested to the form to provide clarity to users completing the form.

DATES: *Comments due within 30 days of publication.* OMB must make a decision about the collection of information between 30 and 60 days after publication of this document in the **Federal Register**. Therefore, a comment

is best assured of having its full effect if OMB receives it within 30 days of publication.

Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function. You can also obtain copies of the proposed collection of information by emailing infocollection@acf.hhs.gov. Identify all emailed requests by the title of the information collection.

SUPPLEMENTARY INFORMATION:

Description: OCS will continue collecting key information about

projects funded through the CED program. The legislative requirement for this program is in Title IV of the Community Opportunities, Accountability and Training and Educational Services Act (COATS Human Services Reauthorization Act) of October 27, 1998, Public Law 105–285, section 680(b) as amended. The PPR collects information regarding the outcomes and management of CED projects. OCS will use the data to critically review the overall design and effectiveness of the program.

The PPR will continue to be administered to all active grant recipients of the CED program. Grant recipients will be required to use this reporting tool for their semi-annual reports to be submitted twice a year. Through a previous renewal, the current PPR replaced both the annual questionnaire and other semi-annual reporting formats, which resulted in an overall reduction in burden for the grant recipients, significantly improved the quality of the data collected by OCS, and allowed grant recipients to become

accustomed to this format. OCS seeks to renew this PPR to continue to collect quality data from grant recipients. To ensure the burden on grant recipients is not increased, but that the information collected demonstrates the full impact of the program, OCS has conducted an in-depth review of the forms and requests minor changes to the PPR to provide clarity to users filling out the form.

Respondents: Active CED Grant Recipients.

ANNUAL BURDEN ESTIMATES

Instrument	Total number of respondents	Annual number of responses per respondent	Average burden hours per response	Annual burden hours

Estimated Total Annual Burden Hours: 273.

SUPPLEMENTARY INFORMATION: This is an extension to a currently approved information collection (IC). ACL is responsible for administering the Title VI A/B (Nutrition and Supportive Service) and C (Caregiver) grants. The purpose of this data collection is to improve and standardize the format of the application. The instrument will collect data as prescribed by the Older Americans Act Section 612(a), 614(a) and 45 CFR 1326.19 related to the eligibility of Federally recognized Tribes and Native Hawaiian organizations for grant funds under this program and their capacity to deliver services to elders.

nutrition, supportive, and caregiver services to elders within their service area. Applicants are required to provide a description of their organization’s service area, the number of eligible elders in their service area, and their ability to deliver services and sign assurances that the organization will comply with all applicable laws and regulations.
