ENVIRONMENTAL PROTECTION AGENCY

[FRL–10226–01–OA]

Public Meeting of the Chartered Science Advisory Board

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: The Environmental Protection Agency (EPA) Science Advisory Board (SAB) Staff Office announces a public meeting of the chartered Science Advisory Board. The chartered SAB will meet to: (1) receive briefings from two EPA offices on activities and research priorities for environmental justice considerations; (2) conduct a consultation with EPA's Office of Water on environmental justice impacts of lead service line removal in drinking water systems; (3) deliberate on the adequacy of the scientific and technical basis of the proposed rule titled *Control of Air Pollution From New Motor Vehicles: Heavy-Duty Engine and Vehicle Standards*; and (4) discuss recommendations received from the SAB Work Group for Review of Science Supporting EPA Decisions concerning SAB review of EPA planned regulatory actions.

DATES: The public meeting for the chartered Science Advisory Board will be held on Thursday, November 3, 2022, from 12:00 p.m. to 6:00 p.m. and Friday, November 4, 2022, from 12:00 p.m. to 6:00 p.m. All times listed are in Eastern Standard Time.

ADDRESSES: The meeting will be conducted virtually. Please refer to the SAB website at <https://sab.epa.gov> for information on how to attend the meeting.

FOR FURTHER INFORMATION CONTACT: Any member of the public who wants further information concerning this notice may contact Dr. Thomas Armitage, Designated Federal Officer (DFO), via telephone (202) 564–2155, or email at

armitage.thomas@epa.gov. General information about the SAB, as well as any updates concerning the meetings announced in this notice can be found on the SAB website at <https://sab.epa.gov>.

SUPPLEMENTARY INFORMATION:

Background: The SAB was established pursuant to the Environmental Research, Development, and Demonstration Authorization Act (ERDDAA), codified at 42 U.S.C. 4365, to provide independent scientific and technical advice to the EPA Administrator on the scientific and technical basis for agency positions and regulations. The SAB is a Federal Advisory Committee chartered under the Federal Advisory Committee Act (FACA), 5 U.S.C. app. 2. The SAB will comply with the provisions of FACA and all appropriate SAB Staff Office procedural policies. Pursuant to FACA and EPA policy, notice is hereby given that the chartered Science Advisory will hold a public meeting to discuss and deliberate on the following topics.

The SAB will receive briefings from EPA's Office of Policy and Office of Research and Development on activities and research priorities for consideration of environmental justice. The chartered SAB will also conduct a consultation with the EPA's Office of Water on environmental justice impacts of lead service line removal in drinking water systems.

Under the SAB's authorizing statute, the SAB "may make available to the Administrator, within the time specified by the Administrator, its advice and comments on the adequacy of the scientific and technical basis" of proposed rules. The SAB Work Group for Review of Science Supporting EPA Decisions is charged with identifying EPA planned actions that may warrant SAB review. The SAB will discuss the scientific and technical basis of the proposed rule titled *Control of Air Pollution From New Motor Vehicles: Heavy-Duty Engine and Vehicle Standards* (FR 87 17414) and also discuss recommendations received from the SAB Work Group for Review of Science Supporting EPA Decisions with regard to SAB review of other EPA planned actions.

Availability of Meeting Materials: All meeting materials, including the agenda will be available on the SAB web page at <https://sab.epa.gov>.

Procedures for Providing Public Input: Public comment for consideration by EPA's federal advisory committees and panels has a different purpose from public comment provided to EPA program offices. Therefore, the process

for submitting comments to a federal advisory committee is different from the process used to submit comments to an EPA program office. Federal advisory committees and panels, including scientific advisory committees, provide independent advice to the EPA.

Members of the public can submit relevant comments pertaining to the committee's charge or meeting materials. Input from the public to the SAB will have the most impact if it provides specific scientific or technical information or analysis for the SAB to consider or if it relates to the clarity or accuracy of the technical information. Members of the public wishing to provide comment should follow the instruction below to submit comments.

Oral Statements: Individuals or groups requesting an oral presentation during the public meeting will be limited to three minutes. Each person making an oral statement should consider providing written comments as well as their oral statement so that the points presented orally can be expanded upon in writing. Persons interested in providing oral statements should contact the DFO, in writing (preferably via email) at the contact information noted above by October 25, 2022, to be placed on the list of registered speakers.

Written Statements: Written statements will be accepted throughout the advisory process; however, for timely consideration by SAB members, statements should be submitted to the DFO by October 25, 2022, for consideration at the public meeting on November 3, 2022, and November 4, 2022. Written statements should be supplied to the DFO at the contact information above via email. Submitters are requested to provide a signed and unsigned version of each document because the SAB Staff Office does not publish documents with signatures on its websites. Members of the public should be aware that their personal contact information if included in any written comments, may be posted to the SAB website. Copyrighted material will not be posted without the explicit permission of the copyright holder.

Accessibility: For information on access or services for individuals with disabilities, please contact the DFO, at the contact information noted above, preferably at least ten days prior to the meeting, to give the EPA as much time as possible to process your request.

V Khanna Johnston,

Deputy Director, Science Advisory Board Staff Office.
