SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on May 4, 2022. 87 FR 26372 (May 4, 2022). The complaint, as supplemented, alleged violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, in the importation into the United States, the sale for importation, or the sale within the United States after importation of certain centrifuge utility platform and falling film evaporator systems and components thereof by

reason of infringement of claims 1, 10, and 14 of U.S. Patent No. 10,814,338; claims 1, 10, and 18 of U.S. Patent No. 11,014,098; and claims 1, 9, and 19 of U.S. Patent No. 10,899,728. *Id.* The complaint further alleged that a domestic industry exists. *Id.* The Commission's notice of investigation named fifteen respondents, including Ambiopharm, Inc. of Beech Island, SC (“Ambiopharm”); RI Hemp Farms, LLC of West Greenwich, RI (“RI Hemp Farms”); Henan Lanphan Industry Co., Ltd. of Zhengzhou, China (“Henan Lanphan”); Toption Instrument Co., Ltd. of Xi'an, China (“Toption”); Ezhydro of Sacramento, CA; Shanghai Yuanhuai Industries Co., Ltd. of Shanghai City, China (“Shanghai Yuanhuai”); and Zhangjiagang Chunk d/b/a Charme Trading Corp. of Suzhou Shi, China (“Charme”) (collectively, “defaulting respondents”). *Id.* at 26373. The Office of Unfair Import Investigations (“OUII”) is also participating in the investigation. *Id.*

On August 4, 2022, the Commission determined not to review an initial determination (Order No. 15) finding Ambiopharm and RI Hemp Farms in default. Order No. 15 (July 7, 2022), *unreviewed by Comm'n Notice* (Aug. 4, 2022). On August 5, 2022, the Commission determined not to review an initial determination (Order No. 21) finding Henan Lanphan and Toption in default. Order No. 21 (July 19, 2022), *unreviewed by Comm'n Notice* (Aug. 5, 2022). Also on August 5, 2022, the Commission determined not to review an initial determination (Order No. 22) finding Ezhydro in default. Order No. 22 (July 20, 2022), *unreviewed by Comm'n Notice* (Aug. 5, 2022). On August 29, 2022, the Commission determined not to review an initial determination (Order No. 26) finding Shanghai Yuanhuai and Charme in default. Order No. 26 (July 29, 2022), *unreviewed by Comm'n Notice* (Aug. 29, 2022). All other respondents named in the notice of investigation have been terminated from the investigation. On August 31, 2022, complainant Apeks, LLC (“Apeks”) filed a “Written Submission on Remedy, the Public Interest and Bonding.” On September 20, 2022, Apeks filed a motion to terminate the investigation as to defaulting respondent Toption based on settlement. Apeks filed a corrected version of that motion thereafter on September 23, 2022. On the same day, OUII filed a response supporting Apeks' motion to terminate Toption from the investigation. Apeks' motion is currently pending before the Commission.

Section 337(g)(1) (19 U.S.C. 1337(g)(1)) and Commission Rule 210.16(c) (19 CFR 210.16(c)) direct the Commission, upon request, to issue a limited exclusion order or a cease and desist order or both against a respondent found in default, based on the allegations regarding a violation of section 337 in the Complaint, which are presumed to be true, unless after consideration of the public interest factors in section 337(g)(1), it finds that such relief should not issue.

Accordingly, the Commission is interested in receiving written submissions that address the form of remedy, if any, that should be ordered with respect to the Defaulting Respondents, identified above. If a party seeks exclusion of an article from entry into the United States for purposes other than entry for consumption, the party should so indicate and provide information establishing that activities involving other types of entry either are adversely affecting it or likely to do so. For background, see *Certain Devices for Connecting Computers via Telephone Lines*, Inv. No. 337-TA-360, USITC Pub. No. 2843, Comm'n Op. at 7-10 (December 1994).

The statute requires the Commission to consider the effects of that remedy upon the public interest. The public interest factors the Commission will consider include the effect that an exclusion order or one or more cease and desist orders would have on: (1) the public health and welfare, (2) competitive conditions in the U.S. economy, (3) U.S. production of articles that are like or directly competitive with those that are subject to investigation, and (4) U.S. consumers. The Commission is therefore interested in receiving written submissions that address the aforementioned public interest factors in the context of this investigation.

If the Commission orders some form of remedy, the U.S. Trade Representative, as delegated by the President, has 60 days to approve, disapprove, or take no action on the Commission's determination. See Presidential Memorandum of July 21, 2005, 70 FR 43251 (July 26, 2005). During this period, the subject articles would be entitled to enter the United States under bond, in an amount determined by the Commission and prescribed by the Secretary of the Treasury. The Commission is therefore interested in receiving submissions concerning the amount of the bond that should be imposed if a remedy is ordered.

Written Submissions: The Commission has determined not to

consider Apeks' August 31, 2022, submission on remedy, the public interest, and bonding, which was filed before the date of this notice. Apeks may now file an initial and a reply submission in response to this notice according to the instructions below.

Parties to the investigation, interested government agencies, and any other interested parties are encouraged to file written submissions on the issues of remedy, the public interest, and bonding.

In its initial submission, Complainant is also requested to identify the remedy sought and Complainant and OUII are requested to submit proposed remedial orders for the Commission's consideration. Complainant is further requested to provide the HTSUS subheadings under which the accused products are imported, and to supply the identification information for all known importers of the products at issue in this investigation. The initial written submissions and proposed remedial orders must be filed no later than close of business on October 14, 2022. Reply submissions must be filed no later than the close of business on October 21, 2022. No further submissions on these issues will be permitted unless otherwise ordered by the Commission.

Persons filing written submissions must file the original document electronically on or before the deadlines stated above. The Commission's paper filing requirements in 19 CFR 210.4(f) are currently waived. 85 FR 15798 (March 19, 2020). Submissions should refer to the investigation number (Inv. No. 337-TA-1311) in a prominent place on the cover page and/or the first page. (See Handbook for Electronic Filing Procedures, https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf). Persons with questions regarding filing should contact the Secretary, (202) 205-2000.

Any person desiring to submit a document to the Commission in confidence must request confidential treatment by marking each document with a header indicating that the document contains confidential information. This marking will be deemed to satisfy the request procedure set forth in Rules 201.6(b) and 210.5(e)(2) (19 CFR 201.6(b) & 210.5(e)(2)). Documents for which confidential treatment by the Commission is properly sought will be treated accordingly. Any non-party wishing to submit comments containing confidential information must serve those comments on the parties to the investigation pursuant to the applicable Administrative Protective Order. A

redacted non-confidential version of the document must also be filed with the Commission and served on any parties to the investigation within two business days of any confidential filing. All information, including confidential business information and documents for which confidential treatment is properly sought, submitted to the Commission for purposes of this investigation may be disclosed to and used: (i) by the Commission, its employees and Offices, and contract personnel (a) for developing or maintaining the records of this or a related proceeding, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission including under 5 U.S.C. appendix 3; or (ii) by U.S. government employees and contract personnel, solely for cybersecurity purposes. All contract personnel will sign appropriate nondisclosure agreements. All nonconfidential written submissions will be available for public inspection on EDIS.

The Commission vote for this determination took place on September 29, 2022.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: September 30, 2022.

Acting Secretary to the Commission.
