SUPPLEMENTARY INFORMATION: The NSTAC is established under the authority of Executive Order (E.O.) 12382, dated September 13, 1982, as amended by E.O. 13286, continued and amended under the authority of E.O. 14048, dated September 30, 2021. Notice of this meeting is given under FACA, 5 U.S.C. appendix (Pub. L. 92–463). The NSTAC advises the President on matters related to national security and emergency preparedness (NS/EP) telecommunications and cybersecurity policy.

Agenda: The NSTAC will meet in an open session on Thursday, December 1, 2022, from 3:30 p.m. ET to 5 p.m. ET to discuss current NSTAC activities and the government’s ongoing cybersecurity and NS/EP communications initiatives.

This open session will include: (1) a keynote address;(2) a status update on NSTAC recommendations; and (3) a deliberation and vote on the *NSTAC Report to the President on a Strategy for Increasing Trust in the Information and Communications Technology and Services Ecosystem*.

The committee will also meet in a closed session from 1 p.m. ET to 3 p.m. ET during which time: (1) senior government intelligence officials will provide a threat briefing concerning threats to NS/EP communications and engage NSTAC members in follow-on discussion; and (2) NSTAC members and senior government officials will discuss potential NSTAC study topics.

Basis for Closure: In accordance with section 10(d) of FACA and 5 U.S.C. 552b(c)(1), *The Government in the Sunshine Act*, it has been determined that a portion of the agenda requires closure.

These agenda items are the: (1) classified threat briefing and discussion, which will provide NSTAC members the opportunity to discuss information concerning threats to NS/EP communications with senior government intelligence officials; and (2) potential NSTAC study topics discussion. The briefing is anticipated to be classified at the top secret/sensitive compartmented information level. Disclosure of these threats during the briefing, as well as vulnerabilities and mitigation techniques, is a risk to the Nation’s cybersecurity posture since adversaries could use this information to compromise commercial and government networks. Subjects discussed during the potential study topics discussion are tentative and are under further consideration by the committee.

Therefore, this portion of the meeting is required to be closed pursuant to section 10(d) of FACA and 5 U.S.C. 552b(c)(1) because it will disclose matters that are classified.
