

DEPARTMENT OF EDUCATION**Reopening; Applications for New Awards; Promise Neighborhoods Program**

AGENCY: Office of Elementary and Secondary Education, Department of Education.

ACTION: Notice; reopening of application period.

SUMMARY: On June 29, 2022, the Department of Education (Department) published in the **Federal Register** a notice inviting applications (NIA) for the fiscal year (FY) 2022 Promise Neighborhoods competition, Assistance Listing Number 84.215N. The NIA established a deadline date of September 27, 2022, for transmittal of applications, which was subsequently extended until October 7, 2022. This notice reopens this competition to allow more time for the preparation and submission of applications by eligible applicants that are affected applicants (as described in Eligibility below), located in Puerto Rico, portions of Alaska covered by a Presidential major disaster declaration, and areas under a Presidential major disaster or emergency declaration resulting from Hurricane Ian, which includes Florida, the Seminole Tribe of Florida, North Carolina, and South Carolina.

DATES: *Deadline for Transmittal of Applications for Affected Applicants:* October 21, 2022.

FOR FURTHER INFORMATION CONTACT: Rich Wilson, U.S. Department of Education, 400 Maryland Avenue SW, Room 3W101, Washington, DC 20202-6450. Telephone: (202) 453-6709. Email: Richard.Wilson@ed.gov.

SUPPLEMENTARY INFORMATION: On June 29, 2022, we published the NIA for the FY 2022 Promise Neighborhoods competition in the **Federal Register** (87 FR 38719). On July 25, 2022, we published an extension notice in the **Federal Register** (87 FR 44107) because *Grants.gov*, the system used to submit applications electronically, was closed for site maintenance from September 23-29, 2022. We are reopening this competition for affected applicants described below to allow them more time—until October 21, 2022—to prepare and submit their applications.

Eligibility: The reopening of this competition applies to eligible applicants under the Promise Neighborhoods program that are affected applicants. An eligible

applicant for this competition is defined in the NIA. To qualify as an affected applicant, the applicant must have a mailing address that is located in a jurisdiction that is part of one of the applicable federally declared disaster areas and must provide appropriate supporting documentation, if requested.

The affected areas are those in which assistance to individuals or public assistance has been authorized under the following FEMA declarations:

- Puerto Rico (<https://www.fema.gov/disaster/4671>);
- Portions of Alaska covered by a Presidential major disaster declaration (<https://www.fema.gov/disaster/4672>);
- Florida (<https://www.fema.gov/disaster/4673>);
- The Seminole Tribe of Florida (<https://www.fema.gov/disaster/4675>);
- North Carolina (<https://www.fema.gov/disaster/3586>); and
- South Carolina (<https://www.fema.gov/disaster/3585>).

Affected applicants that have already timely submitted applications under the FY 2022 Promise Neighborhood competition may submit a new application on or before the new application deadline of October 21, 2022, but they are not required to do so. If a new application is not submitted, the Department will use the application that was submitted by the original (or first extended) deadline. If a new application is submitted, the Department will consider the application that is last submitted and timely received by 11:59:59 p.m., Eastern Time, on October 21, 2022. Any application submitted by an affected applicant under the new deadline must contain evidence (e.g., the applicant organization mailing address) that the applicant is located in one of the applicable federally declared disaster areas and, if requested, must provide appropriate supporting documentation.

We are not reopening the application period for all applicants. Applications from applicants that are not affected, as defined above, will not be accepted past the October 7, 2022, deadline.

Note: All information in the NIA for this competition remains the same, except for the deadline date for affected applicants.
