BILLING CODE 4000-01-P

**DEPARTMENT OF VETERANS AFFAIRS**

**38 CFR Part 14**

[2900-AR72]

**Delegated Authority to Settle Federal Tort Claims Act Administrative Tort Claims**

**AGENCY:** Department of Veterans Affairs.

**ACTION:** Final rule.

**SUMMARY:** The Department of Veterans Affairs (VA) is amending its regulation governing delegated authority to settle administrative tort claims pursuant to the Federal Tort Claims Act (FTCA) to \$500,000. This regulation also amends the delegated authority to the Veterans Health Administration (VHA) to \$5,000 to settle non-medical malpractice claims pursuant to the FTCA.

**DATES:** *Effective date:* This rule is effective October 20, 2022.

*Applicability date:* The provisions of this final rule shall apply to all VA FTCA settlements on or after the date of publication of this final rule in the **Federal Register**.

**FOR FURTHER INFORMATION CONTACT:** Michael Newman, Chief Counsel, Office of the General Counsel (021), Department of Veterans Affairs, 810 Vermont Avenue NW, Washington, DC 20420, (202) 461-4900. (This is not a toll-free telephone number.)

**SUPPLEMENTARY INFORMATION:** Title 28 of the Code of Federal Regulations, chapter 1, governs the Department of Justice (DOJ) and part 14 covers administration of claims under the Federal Tort Claims Act. The regulations in 28 CFR part 14, appendix A, Delegations of Settlement Authority, were amended by DOJ effective March 23, 2020 (85 FR 10267). The amendment increases the authority delegated to the Secretary of Veterans Affairs to settle administrative tort claims where the amount of settlement does not exceed \$500,000. Previously delegated authority was limited to claims not exceeding \$300,000. Presently, 38 CFR 14.600 reflects the delegated authority prior to March 23, 2020, which no longer applies to the Secretary's delegated authority. As a result of the DOJ delegation increasing the Secretary's settlement authority under the FTCA, 38 CFR 14.600 no longer accurately reflects the settlement authority of the General Counsel, Deputy General Counsel, and Chief Counsel, Torts Law Group or those authorized to act for them. Therefore 38 CFR 14.600 is amended to reflect this increase in delegated settlement authority.

In addition, effective May 21, 2020, VHA Directive 1093, *Delegation of Authority to Process Tort Claims*, was revised to increase delegated settlement authority for VISN and VA medical facility Directors. The Directive allows resolution of non-medical malpractice (personal injury or property damage) claims ("small claims") asserting damages of \$5,000 or less to be settled within the Directors' authority. Presently, 38 CFR 14.600 reflects the maximum delegated authority to the Directors as \$2,500. Therefore 38 CFR 14.600 is amended to reflect this increase in VHA's delegated settlement authority.

**Administrative Procedure Act**

This final rule is a procedural rule that does not impose new rights, duties, or obligations on affected individuals but, rather, eliminates duplicate filings under the statutory requirement that agents and attorneys file a copy of a fee agreement "with the Secretary." See 38 U.S.C. 5904(c)(2). Therefore, it is exempt from the prior notice-and-comment and delayed-effective-date requirements of 5 U.S.C. 553. See 5 U.S.C. 553(b)(A) and (d)(3). This rule merely acknowledges settlement authority increases of: (1) VA to settle FTCA administrative claims without DOJ approval; and (2) VHA to settle small claims.

**Paperwork Reduction Act**

This final rule contains no provisions constituting a collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3521).

**Regulatory Flexibility Act**

The initial and final regulatory flexibility analyses requirements of sections 603 and 604 of the Regulatory Flexibility Act, 5 U.S.C. 601-612, are not applicable to this rule, because a notice of proposed rulemaking is not required for this rule. Even so, the Secretary hereby certifies that this final rule will not have a significant economic impact on a substantial number of small entities as they are defined in the Regulatory Flexibility Act. At a minimum, this rule will affect only: (1) Office of General Counsel (OGC) attorneys and paralegals settling FTCA administrative claims; and (2) VHA employees settling small claims. However, it will not have a significant economic impact on these individuals, as it will result in decreased involvement of DOJ and OGC. Therefore, pursuant to 5 U.S.C. 605(b), this rulemaking is exempt from the initial and final regulatory flexibility

analysis requirements of sections 603 and 604.

**Executive Orders 12866 and 13563**

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, when regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, and other advantages; distributive impacts; and equity). Executive Order 13563 (Improving Regulation and Regulatory Review) emphasizes the importance of quantifying both costs and benefits, reducing costs, harmonizing rules, and promoting flexibility. The Office of Information and Regulatory Affairs has determined that this rule is not a significant regulatory action under Executive Order 12866. The Regulatory Impact Analysis associated with this rulemaking can be found as a supporting document at [www.regulations.gov](http://www.regulations.gov).

**Assistance Listing**

There are no Assistance Listing numbers and titles for the programs affected by this document.

**Congressional Review Act**

Pursuant to the Congressional Review Act (5 U.S.C. 801 *et seq.*), the Office of Information and Regulatory Affairs designated this rule as not a major rule, as defined by 5 U.S.C. 804(2).

**Unfunded Mandates**

The Unfunded Mandates Reform Act of 1995 requires, at 2 U.S.C. 1532, that agencies prepare an assessment of anticipated costs and benefits before issuing any rule that may result in the expenditure by State, local, and tribal governments, in the aggregate, or by the private sector, of \$100 million or more (adjusted annually for inflation) in any one year. This final rule will have no such effect on State, local, and tribal governments, or on the private sector.
