Background

On May 2, 2022, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the CVD order on non-refillable cylinders from China, covering the period August 28, 2020, through December 31, 2021.¹ On May 31, 2022, Ningbo Eagle Machinery & Technology Co., Ltd. (Ningbo Eagle), Sanjiang Kai Yuan Co. Ltd (SKY), Wuyi Xilinde Machinery Manufacture Co., Ltd. (Wuyi Xilinde), and Zhejiang KIN-SHINE Technology Co., Ltd (KIN-SHINE) timely requested that Commerce conduct an administrative review.

On July 14, 2022, Commerce published in the **Federal Register** a notice of initiation of an administrative review with respect to KIN-SHINE, Ningbo Eagle, SKY, and Wuyi Xilinde, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).² Also on July 14, 2022, Commerce released U.S. Customs and Border Protection (CBP) entry data for the POR to all interested parties.³ On August 17, 2022, Commerce notified interested parties of its intent to rescind the review of KIN-SHINE because the company did not have a reviewable, suspended entry of subject merchandise during the POR.⁴ Commerce provided parties an opportunity to submit comments, including factual information, to demonstrate whether there were reviewable entries during the POR for KIN-SHINE.⁵ No party submitted comments to Commerce.

On August 26 and 30, 2022, Wuyi Xilinde and SKY, respectively, timely withdrew their requests for administrative review.⁶ On September 9, 2022, Ningbo Eagle timely withdrew

its request for an administrative review.⁷

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review if the party that requested the review withdraws its request within 90 days of the publication of the notice of initiation of the requested review. Ningbo Eagle, SKY, and Wuyi Xilinde withdrew their requests for review within the 90-day deadline. No other interested party requested an administrative review of Ningbo Eagle, SKY, and Wuyi Xilinde. We, therefore, are rescinding this administrative review for Ningbo Eagle, SKY, and Wuyi Xilinde.

Additionally, pursuant to 19 CFR 351.213(d)(3), it is Commerce's practice to rescind an administrative review of a CVD order where it concludes that there were no reviewable entries of subject merchandise during the POR for an exporter or producer.⁸ Normally, upon completion of an administrative review, the suspended entries are liquidated at the CVD assessment rate for the review period.⁹ Therefore, for an administrative review to be conducted, there must be a reviewable, suspended entry that Commerce can instruct CBP to liquidate at the calculated CVD assessment rate for the review period.¹⁰ As noted above, there were no entries of subject merchandise from KIN-SHINE during the POR. Accordingly, in the absence of reviewable, suspended entries of subject merchandise during the POR, we are rescinding this administrative review for KIN-SHINE, in accordance with 19 CFR 351.213(d)(3).

Assessment

Commerce will instruct CBP to assess countervailing duties on all appropriate entries. Because Commerce is rescinding this review in its entirety, the entries to which this administrative review pertained shall be assessed at rates equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) determines that imports of quartz slab manufactured in the People's Republic of China (China) and processed in Malaysia are covered by the scope of the antidumping duty (AD) and countervailing duty (CVD) orders on certain quartz surface products from China.

SUPPLEMENTARY INFORMATION:

Background

On February 7, 2022, Commerce published a notice self-initiating scope and circumvention inquiries to determine whether imports of quartz surface products completed in Malaysia using inputs manufactured in China are covered by the AD and CVD orders on certain quartz surface products from China.¹ For a complete description of the events that followed the initiation, see the Final Scope Memorandum.²

Methodology and Final Scope Ruling

Commerce conducted this scope inquiry in accordance with 19 CFR 351.225(k)(1). Specifically, as discussed in the Final Scope Memorandum, we find that, because the scope of the *Orders* explicitly covers quartz slab manufactured in China and finished, packaged, or otherwise fabricated in a third country, the Chinese quartz slab processed in Malaysia subject to this scope inquiry is covered by the scope of the *Orders* pursuant to 19 CFR 351.225(k)(1).
