SUPPLEMENTARY INFORMATION:

Nominations are being sought for individuals who have expertise and qualifications necessary to contribute to the accomplishments of the committee's objectives. Nominees will be selected based on expertise in the fields of breast health, breast cancer, disease prevention and risk reduction, survivorship (including metastatic breast cancer), hereditary breast and ovarian cancer, or in related disciplines with a specific focus on young women. Persons with personal experience with early onset breast cancer are also eligible to apply. This includes, but may not be limited to breast cancer survivors <45 years of age and caregivers of said persons. Federal employees will not be considered for membership. Members may be invited to serve up to four-year terms.

Selection of members is based on candidates' qualifications to contribute to the accomplishment of ACBCYW objectives <http://www.cdc.gov/maso/facm/facmacbcyw.html>.

The U.S. Department of Health and Human Services policy stipulates that committee membership be balanced in terms of points of view represented, and the committee's function. Appointments shall be made without discrimination on the basis of age, race, ethnicity, gender, sexual orientation, gender identity, HIV status, disability, and cultural, religious, or socioeconomic status. Nominees must be U.S. citizens, and cannot be full-time employees of the U.S. Government. Current participation on federal workgroups or prior experience serving on a federal advisory committee does not disqualify a candidate; however, HHS policy is to avoid excessive individual service on advisory committees and multiple committee memberships. Committee members are Special Government Employees, requiring the filing of financial disclosure reports at the beginning and annually during their terms. CDC reviews potential candidates for ACBCYW membership each year, and provides a slate of nominees for consideration to the Secretary of HHS for final selection. HHS notifies selected

candidates of their appointment near the start of the term in November 2023, or as soon as the HHS selection process is completed. Note that the need for different expertise varies from year to year and a candidate who is not selected in one year may be reconsidered in a subsequent year. Nominees must be U.S. citizens, and cannot be full-time employees of the U.S. Government. Candidates should submit the following items:

- Current curriculum vitae, including complete contact information (telephone numbers, mailing address, email address).
- At least one letter of recommendation from person(s) not employed by the U.S. Department of Health and Human Services. (Candidates may submit letter(s) from current HHS employees if they wish, but at least one letter must be submitted by a person not employed by an HHS agency (e.g., CDC, NIH, FDA, etc.).
- A short biography (150 words or less).

Nominations may be submitted by the candidate him- or herself, or by the person/organization recommending the candidate.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

[OMB No. 0970-0345]

Proposed Information Collection Activity; Temporary Assistance for Needy Families (TANF) Financial Report, ACF-196T

AGENCY: Office of Family Assistance, Administration for Children and Families, U.S. Department of Health and Human Services.

ACTION: Request for public comments.

SUMMARY: The Administration for Children and Families (ACF) is requesting a 3-year extension of the Temporary Assistance for Needy Families (TANF) Financial Report, Form ACF-196T (Office of Management and Budget (OMB) #0970-0345, expiration April 30, 2023). ACF is proposing minor updates to the form to remove a reporting line-item reference that was associated with an expired program expenditure and minor edits to the instructions and formatting to better the presentation of the document.

DATES: *Comments due within 60 days of publication.* In compliance with the requirements of the Paperwork Reduction Act (PRA) of 1995, ACF is soliciting public comment on the specific aspects of the information collection described above.

ADDRESSES: You can obtain copies of the proposed collection of information and submit comments by emailing infocollection@acf.hhs.gov. Identify all requests by the title of the information collection.

SUPPLEMENTARY INFORMATION:

Description: Grantees of the TANF program are required by statute to report financial data on a quarterly basis. Form ACF-196T is used by tribal agencies administering the TANF program to report these quarterly expenditure data and to request quarterly grant funds. Failure to collect the data would seriously compromise the Office of Family Assistance and ACF's ability to monitor TANF expenditures and compliance with statutory requirements. These data are also needed to estimate outlays and to prepare reports and budget submissions for Congress.

Respondents: Tribal agencies receiving a direct grant from OFA to administer a TANF program.
