Agency Information Collection Activities: Comment Request

The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. This notice includes revisions of OMB-approved information collections.

SSA is soliciting comments on the accuracy of the agency’s burden estimate; the need for the information; its practical utility; ways to enhance its

quality, utility, and clarity; and ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, email, or fax your comments and recommendations on the information collection(s) to the OMB Desk Officer and SSA Reports Clearance Officer at the following addresses or fax numbers.

SSA submitted the information collections below to OMB for clearance. Your comments regarding these information collections would be most useful if OMB and SSA receive them 30 days from the date of this publication. To be sure we consider your comments, we must receive them no later than November 28, 2022. Individuals can obtain copies of these OMB clearance packages by writing to *OR.Reports.Clearance@ssa.gov*.

1. *Waiver of Your Right to Personal Appearance before a Judge—20 CFR 20 CFR 404.948(b)(1)(i), 404.956, 416.1448(b)(1)(i), and 416.1456—0960-0284.* Applicants for Social Security, Old Age, Survivors, and Disability Insurance (OASDI) benefits and Supplemental Security Income (SSI) payments have the statutory right to appear in person (or through a representative) and present evidence about their claims at a hearing before a

judge. Per SSA regulations, if a claimant is dissatisfied with a determination or decision listed in 20 CFR 404.930 or 416.1430, the claimant may request a hearing before a judge, and has a right to appear at a hearing before a judge. At a hearing, claimants have the right to present evidence; have witnesses testify on their behalf; and present their case to the judge. A hearing may provide the judge with additional information to make a more informed decision.

However, in some cases, claimants may choose to waive their right to appear before a judge for various reasons, including if they feel the evidence of record stands on its own, or if they are unable to attend a hearing due to extenuating circumstances. When a claimant chooses to waive the right to appear at a hearing and allows the judge to decide the case based on the written evidence of record alone, we ask the claimant to submit this request to us in writing so we can document it in their record. While SSA will accept a written request, we also allow claimants to use Form HA-4608 to serve as a written waiver for the claimant’s right to a personal appearance before a judge. The claimant may complete the paper version of the HA-4608 and submit it back to SSA using the pre-paid envelope SSA sends with it, or the claimant may choose to complete the HA-4608 through the submittable PDF on SSA’s website. The judge uses the information we collect on Form HA-4608 to continue processing the case and makes the completed form a part of the documentary evidence of record by placing it in the official record of the proceedings as an exhibit. Respondents are applicants or claimants for OASDI and SSI, or their representatives, who request to waive their right to appear before a judge.

Type of Request: Revision of an approved-OMB information collection.

The Plan to Achieve Self-Support (PASS) provision allows individuals to develop a plan to enter (or re-enter) the workforce and become self-supporting. In turn, SSA does not count the income or resources (such as business equipment, education, or

3. Letter to Custodian of Birth Records—20 CFR 404.704, and 422.103–422.110—0960–0693. When individuals need help in obtaining evidence of their age in connection with Social Security number (SSN) card applications and claims for benefits, SSA prepares the SSA-L706, Letter to Custodian of Birth Records. SSA uses Form SSA-L706 to verify the proof of age when an SSN applicant submits a birth record to the Social Security Number Application Process (SSNAP) system that SSA deems questionable. In most of the cases, we verify birth records (*i.e.*, birth certificates) with the custodian of the record or issuing entity before

processing the SSN card application via an online query such as the Electronic Verification of Vital Events (EVVE) or SSA-approved online access to State vital records. However, when the applicant submits alternative evidence to request an original SSN card or to correct a date of birth (DOB) that SSA cannot verify via an online query (*i.e.*, the custodian/issuing entity of the birth record is a hospital or health care provider), we use the SSA-L706 to verify proof of age for enumeration purposes. The SSNAP system pre-fills a PDF version of the SSA-L706 using information from the SSN application to ensure accuracy and save time. SSA

uses the letter to verify with the custodian or issuing entity, when necessary, the authenticity of the record the SSN applicant or claimant submitted. SSA mails the SSA-L706 to the respondents to complete and mail or fax back the completed form back to us. The respondents are SSN applicants who sign the request; State and local bureaus or agencies of vital statistics, and religious entities who submit the information regarding evidence of age for the SSN applicant.

4. Request for Accommodation in Communication Method—0960–0777. SSA allows disabled or impaired Social Security applicants, beneficiaries, recipients, and representative payees to choose one of seven alternative methods of communication they want SSA to use when we send them benefit notices and other related communications. The seven alternative methods we offer are: (1) standard print notice by first-class mail; (2) standard print mail with a follow-up telephone call; (3) certified mail; (4) Braille; (5) Microsoft Word file on data CD; (6) large print (18-point font); or (7) audio CD. Respondents who

want to receive notices from SSA through a communication method other than the seven methods listed above must explain their request to us. Those respondents use our iAccommodate Intranet or mySNO internet screens, or the paper Form SSA-9000-F6 to: (1) describe the type of accommodation they want from SSA; (2) disclose their condition necessitating the need for a different type of accommodation; and (3) explain why none of the seven methods described above are sufficient for their needs. SSA uses our internet and Intranet screens or Form SSA-9000-F6 to determine, based on

applicable law and regulation, whether to grant the respondents' requests for an accommodation based on their impairment or disability. SSA collects this information electronically through either an in-person telephone interview during which the SSA employee keys in the information on our iAccommodate Intranet screens, or through the mySNO internet screens which respondents may complete for themselves using the application available through their mySSA accounts. The respondents are disabled or impaired Social Security or SSI applicants, beneficiaries, recipients, and representative payees who ask SSA

to send notices and other communications in an alternative

method besides the seven modalities we currently offer.

DEPARTMENT OF TRANSPORTATION

Federal Motor Carrier Safety Administration

[Docket No. FMCSA-2022-0148]

Commercial Driver's License: Application for Exemption; National School Transportation Association

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.
ACTION: Notice of final disposition; grant of application for exemption.

SUMMARY: FMCSA announces its decision to grant the exemption requested by the National School Transportation Association (NSTA) for commercial driver's license (CDL) applicants seeking a school bus endorsement, from the engine compartment portion of the pre-trip vehicle inspection skills testing requirement, known as the "under-the-hood" testing requirement. Drivers issued a CDL pursuant to the requested exemption would be restricted to the intrastate operation of school buses only. FMCSA also grants an exemption from the requirement that states administer this portion of the pre-trip vehicle inspection test in accordance with an FMCSA pre-approved examiner information manual. FMCSA analyzed the application and public comments and determined that granting the exemption is likely to achieve a level of safety equivalent to or greater than the level of safety that would be obtained in the absence of the exemption.

DATES: The exemption is effective from November 27, 2022 through November 27, 2024.

II. Legal Basis

FMCSA has authority under 49 U.S.C. 31136(e) and 31315(b) to grant exemptions from certain Federal Motor Carrier Safety Regulations (FMCSRs). FMCSA must publish a notice of each exemption request in the **Federal Register** (49 CFR 381.315(a)). The Agency must provide the public an opportunity to inspect the information relevant to the application, including any safety analyses that have been conducted. The Agency must also

provide an opportunity for public comment on the request.

The Agency reviews safety analyses and public comments submitted, and determines whether granting the exemption would likely achieve a level of safety equivalent to, or greater than, the level that would be achieved by the current regulation (49 CFR 381.305). The decision of the Agency must be published in the **Federal Register** (49 CFR 381.315(b)) with the reasons for denying or granting the application and, if granted, the name of the person or class of persons receiving the exemption, and the regulatory provision from which the exemption is granted. The notice must also specify the effective period (up to 5 years) and explain the terms and conditions of the exemption. The exemption may be renewed (49 CFR 381.300(b)).

III. Background

Current Regulatory Requirements

FMCSA's CDL regulations in 49 CFR part 383.113(a)(1)(i) require that applicants for a CDL possess basic pre-trip vehicle inspection skills for the vehicle class that the driver operates or expects to operate. For all test vehicles, applicants must be able to identify each safety-related part on the vehicle and explain what needs to be inspected to ensure a safe operating condition of each part, including the engine compartment.

FMCSA initially issued a three month "under-the-hood" waiver on January 3, 2022, in response to the unique circumstances resulting from the school bus driver shortage and which was exacerbated by the COVID-19 pandemic. FMCSA issued two subsequent waivers, on March 28, 2022, and June 30, 2022.

Applicant's Request

The NSTA applied for an exemption for CDL applicants from the engine compartment component of the pre-trip vehicle skills testing requirement,
